

PURASKAR 2024

Puraskar 2024, an event to honour the class toppers of all programmes in the college, based on university results, was held on April 22. The top three students in each class received a merit certificate and a cash prize in recognition of their academic achievements.

INAUGURATION OF FIRST YEAR CLASSES

The induction ceremony and inaugural function of first year classes were held at the college auditorium on September 9. Er. K V Habeebullah delivered the welcome speech. Mr.E.T. Muhammad Basheer, MP inaugurated the event. Dr. P.A. Fazal Ghafoor, MES State President delivered the presidential address. Mr.A.Jabbarali, Treasurer, MESCE, Dr.Rahumathunza I, Principal, and Mr.Jayaraj Nair, PTA Vice President addressed the gathering. Mr. O.C. Salahuddin, State Treasurer, MES, Mr. C K Ummer, Secretary, MES Malappuram District and Mr.KV Bawa, Joint Secretary, MESCE were also present in the function. After the inauguration ceremony, orientation programmes of various departments were also held.

Inaugural Address By
Mr. E.T. Muhammed Basheer, MP

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE (ADS)

Faculty Development Programmes Attended

Sherikh K K, Fahma Bakkar K A, Surya C, Samya Ali, Haseena M and Fathima Shana E attended a FDP on "Unveiling the future: exploring artificial intelligence from theory to applications" conducted at MES College of Engineering, Kuttippuram from May 13 to May 17.

Farewell

The department organised a farewell for S8 students on June 14.

Student Development Programmes Attended

Aleem, Afnas, Salman, Junaid, Hazoom of S7 attended the International GenAI conclave held at Kochi on July 11 and 12. Viju P Poonthottam, Assistant Professor accompanied the students.

MES COLLEGE OF ENGINEERING, KUTTIPPURAM

Thrikkannapuram P.O., Malappuram Dt., Kerala - 679 582

Approved by AICTE, Affiliated to A.P.J. Abdul Kalam Technological University & Calicut University

Visit us at : <http://www.mesce.ac.in> [f/mescollegektpm](https://www.facebook.com/mescollegektpm)

Industrial Visit

S5 students went for an industrial visit to Karnataka from July 19 to July 21.

Industrial Visit By S5 Students

Student Development Programmes Organised

Ms. Shruthi Suresh conducted a seminar on 'Studying Abroad' for S7 students on September 25.

Seminar by Ms. Shruthi Suresh

Student Achievement

Suhaib Rahman S K of S3 won the second prize in the 'IDEAVERSE' Idea pitching competition organised by IEDC VISAT on August 30. Junaid and Aleem Ahamed of S7 secured first prize in the Smart India Hackathon prelims, jointly organised by IIC, MATRICS, IEDC, ADTEC and the Placement Cell on September 6.

CIVIL ENGINEERING (CE)

Student Achievement

Niya Fathima A of S7 was honoured by Dr.Syed Jalaludeen Shah, HoD for securing a CGPA of 9.9 in the S4 B.Tech University Examination.

Ameer Suhail, Shamna Sherin, Shifana, Shanana, Uthara and Niya Fathima students of S7 were selected for interview in the America Structural Engineers Pvt Ltd., Bangalore.

Khadeeja Nidha, Mohammed Afleh, Rihala Ashraf, Zameel C P and Muhammed Athif K C final year Civil Engineering students have been selected to participate in the YIP 6.0 state-level competition.

Student Development Programmes Attended

Saheer Sha and Shifana Thasni of S7 successfully completed the NPTEL Course in 'Power System Protection and Switchgear.' Mohammed Shanif of S7 successfully completed the NPTEL Course in 'Sustainable Engineering Concepts and Life Cycle Analysis.' Hafsa of S5 successfully completed an online credit course in 'Renewable Energy and Green Building Entrepreneurship.'

Student Association Activities

The Department of Civil Engineering, in association with CADD Campus, Autodesk Authorised Training Center, CEA, ICI Student Chapter, and ASCE Student Chapter, organised a seminar on 'Construction Management in Current Industry' aimed at enlightening final-year civil engineering students about the latest trends and technologies in construction management. The talk was given by Mr. Sijo Joseph, Director, CADD Campus India Pvt. Ltd., Cochin, on April 17.

The Civil Engineering Association, ICI Student chapter and ASCE Student Chapter organised a five day international FDP on "Bridging Technology and Sustainability: A deep drive into BIM and KSMART for educators" from July 1 to 5.

Dr Syed Jalaludheen Shah, HoD handing over a memento to Mr.Akash M Murali, distinguished speaker in the FDP

The Civil Engineering Association celebrated Engineers' Day by conducting a programme titled CONFEST 24. The event featured Concrete 2.0, an exclusive online session led by industry expert Mr. Ashiq Sharif, followed by a thrilling quiz competition, QUIZ-A-THON.

The Civil Engineering Association PAVE'24 (Visionary Engineers with Passion and Ambition) was inaugurated on September 27. The inaugural function included a technical talk by Mr. Joshy David, CEO, Inzide Builders & Developers. The function concluded with a performance by the civil music band team.

Paper Publications By Faculty

Dr. Muneera C P, Associate Professor, presented and published a paper titled 'Portable Trash Compactor for Solid Waste Management' at the 36 th Kerala Science Congress

Department Activities

Meritorious Plus 2 grade students from nearby schools were honoured by the department on May 29. The event also included a talk on 'Pathway to Success: Unlocking Your Potential After Plus 2 Grade' by Er. Abdul Latheef, CEO, D&E Architects, Tirur at the department seminar hall.

Dr.Rahumathunza I, Principal addressing the meritorious +2 grade students

B.Tech Civil Engineering Working Professional Programme 2024

B.Tech Civil Engineering Working Professional Programme 2024 was inaugurated on September 28.

COMPUTER SCIENCE AND ENGINEERING (CSE)

Ifthar Meet

The department student association Matrics organised an ifthar meet titled 'Marhaba' on April 1.

Student Development Programmes Organised

Matrics organised a workshop on 'C Programming' for the first year students on April 8. Badharudheen P., Assistant Professor was the resource person.

A coding club called 'Codex' was established under Matrics on September 11.

Inauguration of Coding Club

Faculty Development Programmes Organised

The department conducted a Faculty Development Programme titled "Unveiling the Future: Exploring AI from Theory to Application" from May 13 to May 17. Dr.Asha G, Associate Professor, Badarudheen P and Jasila E K, Assistant Professors were the coordinators. Thirty eight faculty members attended the programme.

Faculty Activities

Harikrishnan G R, Assistant Professor attended the inauguration of the startup cell organised by KTU at Mascot Hotel, Thiruvananthapuram on June 19.

Harikrishnan G R, Assistant Professor delivered a talk on 'How to grow an IEDC, How to engage students' at Khidmath Arts and Science College, Thirunavaya on August 30.

Faculty Deputed For Higher Studies

Farzana T., Assistant Professor secured admission for Ph.D Programme in Karunya Institute of Technology and Sciences, Coimbatore on June 24.

Aswathy Babu C, Assistant Professor secured admission for Ph.D Programme in Karunya Institute of Technology and Sciences on July 3.

Industrial Visit

S5 CSE A students visited Goa from July 12 to July 15. They were accompanied by Aneesh M.Haneef and Farzana T., Assistant Professors of the department.

Dr.Rahumathunza I, Principal presenting a memento to Haya Ishhaque, S5 student

Memorandum of Understanding

The department signed a MoU with TrickyDot Technologies Pvt. Ltd. on April 14.

Faculty Development Programmes Attended

Dr.Anil K Jacob, HoD received the Elite+Silver Certificate for the MOOC 'Joy of Computing using Python' conducted by NPTEL from January to April.

Swathy Sekhar, Assistant Professor successfully completed the MOOCs on 'Data Analytics with Python' and 'Introduction to Machine Learning' conducted by NPTEL from January to April. Swathy Sekhar, Assistant Professor successfully completed the online certification course on 'Cheminformatics and Drug Discovery' by Biotechnika Info Labs Pvt. Ltd. on June 21.

Sreekanth E.S. and Gaya Nair P., Assistant Professors attended a FDP on 'Advanced Computer Vision for Image & Video Analysis and Application' held at IIIT Kottayam from July 17 to July 21.

FDP on Artificial Intelligence

Paper Publications By Faculty

Harikrishnan G.R., Assistant Professor, 'Machine Learning approaches for local forecasting and time series analysis', IEEE Xplore, September 2024.

Onam Celebration

The department student association Matrics conducted an onam celebration on September 20.

PTA Meeting

PTA meeting of S7 was conducted at the department seminar hall on September 30.

Student Achievement

Haya Ishaque, S5 CSE A batch student was selected as one among the five students from India for the Global UGRAD program, funded by the US Department of State.

Teacher's Day Celebration

The department student association Matrics conducted a programme to celebrate Teacher's day at the department seminar hall on September 5. Dr.Rahumathunza I., Principal, Dr.Anil Jacob, HOD and Faculty and Staff members of the department attended the event.

ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

Iftar Meet

The department organised an iftar meet on April 3 at the college auditorium.

PTA Meeting

PTA meetings of S2, S4 and S6 were conducted from April 16 to April 22.

Faculty Development Programmes Attended

Sreediya R, Assistant Professor successfully completed NPTEL MOOCs in 'Natural Language Processing' and 'Computer Vision & Image Processing Fundamentals & Applications' conducted from January to April.

Dr.Rejith K N, Associate Professor, Sreediya R, Faseela K.P, Farisha T, .Rejiram and Nasarathul Nisha P.K, Assistant Professors attended the FDP on 'Generative AI' organised jointly by Dept of ECE, Universal Engineering College and Pantech e Learning.

Staff members of the department attended the seminar on 'Psychological Well Being' on July 20. Dr.Bino Thomas, NIMHANS, Bengaluru was the resource person.

Sreediya R, Assistant Professor attended the Short Term Training Programme on "Digital System Design with HDL" organised by Dept of ECE, NIT Calicut from July 13 to August 4.

Sreediya R, Assistant Professor attended the workshop on 'Machine learning' organised by Centre for AI, TKM College Of Engineering, Kollam from July 12 to July 16.

Nisheena V Iqbal, Associate Professor attended the workshop on 'Demystifying GPT' organised jointly by the department of CSE, NSS College of Engineering, Palakkad and ISTE on August 30 and 31.

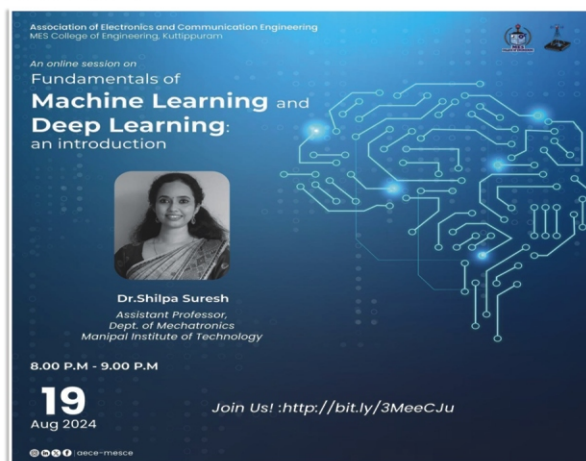

Student Development Programmes Attended

Aswin K, S7 student successfully completed the NPTEL online course on 'Introduction to Machine Learning' held from July to September.

Karthika G, S7 student successfully completed the NPTEL online course on 'System Design Through Verilog' held from July to September.

Student Association Activities

The department student association AECE conducted a webinar on 'Fundamentals of Machine Learning and Deep Learning' for ECE Students on August 19. Dr.Shilpa Suresh, Assistant Professor, Department of Mechatronics, Manipal Institute of Technology was the resource person.

The department student association AECE in collaboration with Techmage Solutions conducted a webinar on "Launchpad- Igniting Project Success" on August 21. Dr.Shameel Abdullah, Lab Coordinator, Texas A&M University and Co Founder of Techmage Solutions was the resource person.

Muhammed Shifal, S7 CSE B batch student received the best volunteer award from the ICT Academy of Kerala for the academic year 2023-2024.

Shahid Noor, S5 CSE B batch student won the origami contest conducted by NSS unit 304.

Student Achievement

The project titled "The Third Eye : AI Driven Visual Assistance For Blind" done by Fathima Majdha, Jameela Mol T, Parthipkrishnan T, Shahina K, S8 students secured project funding from KTU in June. Dr. Nisheena V. Iqbal, Associate Professor, was their guide.

Fawas, Ajith, Ayisha and Kavya, S8 students won the preliminary round of Young Innovators Programme(YIP 6.0) organised by Kerala Development and Innovation Strategic Council(K-DISCs) for their innovative idea 'Smart Ration Dispenser'. They were guided by Sreediya R., Assistant Professor of the department. Their project was also shortlisted for district-level evaluation.

Winners of the preliminary round of Young Innovators Programme

Memorandum of Understanding

The Technology Business Incubator of MES College of Engineering (MESCE-TBI) signed a memorandum of understanding (MoU) with Hamdaz Technologies LLP, a startup company established by Mr.Jishad Mohammed T.V., an alumnus of the ECE Department on July 29.

Mr. Jishad Mohammed T.V., CEO, Hamdaz Technologies LLP presenting the MoU to Dr.Rahumathunza I, Principal

AECE Execom meeting was held on August 26 at the department seminar hall.

Student Development Programmes Organised

Muhammad Jabir C, Assistant Professor in the computer applications department conducted a motivational speech on April 8.

Faculty members from Shad creative education, Tirur conducted a seminar on 'Career development in the field of Electrical Engineering' for S8 students on April 17.

The department organised a workshop on 'Basics of Electrical Engineering and Solar Energy' for S4 B.Arch students on April 19. A workshop on solar energy titled 'SOLAIRE 24' was conducted for plus1 and plus 2 students at the department seminar hall on June 12.

Jaseem N, Assistant Professor and Ajay V, Trade Instructor conducted a seminar on 'Introduction to Electrical Engineering' for Plus 2 students of Govt. Higher Secondary School, Edappal on July 8.

The department organised a workshop on 'AI in Electric Vehicle' for Plus Two and Diploma students on July 9.

Student Development Programmes Attended

Aysha Firdousa of S6 successfully completed the NPTEL mooc on 'Scientific Computing Using Matlab' in April.

Jithesh Kumar M V of S6 successfully completed the NPTEL mooc on 'Calculus' in May.

S5 students attended a 5 day Internship Programme at ICT cyber park, Kozhikode.

S7 students attended a seminar on 'Higher Study Opportunities after B.Tech' held at the department seminar hall on September 23.

Faculty Achievement

Dr. Renuka T K, Assistant Professor reviewed a manuscript titled 'Restoration of Electric Supply in Sustainable Electrical Distribution System using Non - Sorted Binary PSO' in April 2024 for Energy System, Springer Journals.

Faculty Development Programmes Organised

CES,PES,EECC and GESM jointly organised a seminar on 'Energy Conservation: Small Steps, Big Impact' for MESCE staff members at the ECE seminar hall on June 5.

The department organised a FDP on 'Hydrogen Energy For Sustainable Future' from July 8 to 12.

Staff Activities

Staff Members from EEE and CE departments participated in the Edu Carnival at Kozhikode on June 15 and 16.

Paper Presentation By Faculty

Naseeba A, Roshin R and Dr. Maya G, 'Development of Control Strategy For Bagasse-Fired Boiler', International Conference On Futuristic Technologies in Control Systems and Renewable Energy (ICFCR 2024), Department of EEE, MES College of Engineering Kuttippuram, September 25, 26.

Nesihath M K, Aneesha M V, Dr. Nafeesa K and Dr.Sasidharan S, 'Optimisation And Energy Management Of Microgrid Considering Demand Response', International Conference On Futuristic Technologies in Control Systems and Renewable Energy (ICFCR 2024), Department of EEE, MES College of Engineering, Kuttippuram, September 25, 26.

Gopika Mohan N, Roshin R, 'Pre-Diagnosis Of Arrhythmia Using Compatible Device', International Conference On Futuristic Technologies in Control Systems and Renewable Energy (ICFCR 2024), Department of EEE, MES College of Engineering, Kuttippuram, September 25, 26.

ICFCR 2024 - International Conference

The department of EEE and IEEE Kerala Section jointly organised an International Conference on Futuristic Technologies In Control Systems & Renewable Energy (ICFCR 2024) on September 25 and 26. Dr. A. Seshadri Sekhar, Director, IIT Palakkad inaugurated the conference. Dr. Anup Aprem, Member of IEEE Kerala Section Conference Activities Board and Faculty at NIT Calicut attended the inauguration function. Prof. Bijnan Bandhopadhyay and Prof. Anurag K Srivastava were the keynote speakers of the conference.

Student Achievement

Aymen Mohammed of S8 qualified the GATE 2024 examination with a score of 371. He also passed the CAT 2023 examination.

Aiman Sabique of S6 was selected to the student leadership team of PES Kerala chapter.

Iftar Meet

The department organised an iftar meet on April 8 at the college auditorium.

Teacher's Day Celebration

EEE students celebrated Teacher's Day to acknowledge the dedication and unwavering commitment of teachers to impart social values to the students at the department seminar hall.

Dr.Nafeesa K, HoD and Dr.Rahumathunza I.,
Principal cutting the cake on Teacher's Day

Student Activities

As part of their community service, students of the department repaired and replaced the electrical components of Govt. Taluk Hospital, Kuttippuram including LED lights, fan capacitors, switches and wall plugs on September 10.

Students of the department repairing the electrical
components of Govt. Taluk Hospital, Kuttippuram

Onam Celebration

Onam was celebrated on September 13.

Inaugural Address By Dr. A.Seshadri Sekhar, Director, IIT
Palakkad

SCHOOL OF ARCHITECTURE (ARCH)

Vista 2024 - Technical Festival

The annual technical festival titled 'Vista' of MES School of Architecture was conducted on April 20 and 21. Ar.Keshav Gangadhar, an academican and practicing architect based in Palakkad inaugurated the event. Mr. Umer Abdussalaman, entrepreneur and author delivered a keynote address on 'AI Technology and Design of Buildings'.

Ar. Shanik, Assistant Professor in the department and a reputed model delivered a talk on the topic 'Fashion and Architecture'.

Two panel discussions were held as part of the event. The first one was on the topic 'Building the scene: understanding common grounds in cinema and architecture'. Ar.Prasanth Mohan, cinematographer, Mr.Santhosh Raman, production designer, Ar.Vignesh Sasidharan, director and Ar. Safvan, production designer, participated.

Panel discussion on the topic 'Building the Scene'

Ar. Jayakrishnan Karattiyil delivered a talk on 'Windows to the World : Importance of travelling in an architects' growth'.

Ar. Anand Vishnu, Ar.Kalindi P S and Ar.Raasul A K R of 'Studio Maram' presented their project on 'Memorial for Kunjunni Master'. Minha Kabir, student at MES School of Architecture conducted a workshop on crocheting titled "Unraveled threads".

Ar.Morning conducted a workshop on architectural model making titled 'Precision meets Creativity'.

Abishek V.S., student at Avani conducted a workshop on terracotta titled 'Soil to Soul'.

Mr Ziad, student at RITCE conducted a workshop on photography titled 'The art of seeing'

Faculty Achievement

Shanik A, Assistant Professor won a cash prize for participating in the TV Quiz Programme organised by Mazhavil Manorama Channel on June 19 and 20.

Student Activities

Students of S3 and S5 submitted design competition sheets on 'Transcending Through The Legacy Of Beypore' for the Annual National Association for Students of Architecture competition for C P Kukreja Trophy on July 31.

Students of S3 submitted design competition sheets on "TRIVEDI - an inventive design proposal that engages meaningfully with the needs of common public in the form of water improvement projects and showcasing public awareness about the reinvigorated relevance of India's pilgrimage centers' for the Annual National Association for Students of Architecture competition for GSEN Trophy on July 31.

Student Achievement

Mohammed Basim from S9 B.Arch won the first prize in the 'Reels' category in the State level competition organised by Department of Journalism and Mass Communication in connection with Ritu International Environmental Film Festival, organised by St. Joseph's College Autonomous Peechy Wildlife Division, Thrissur Film Center and Irinjalakuda Film Society.

Mohammed Basim from S9 B. Arch won All India level first prize under Still Life Theme in the 'SNAP: Spotighting Narratives and Artistic Photography' Photo Essay Competition organised by School of Architecture and Design, KR Mangalam University, Gurugram on August 23.

The S9 B.Arch Team which included Mohammed Basim and Arshaq qualified for the state level competition of 'Young Innovators Programme (YIP 6.0)', conducted by the Govt. of Kerala and K-DISC.

The second one on the topic 'Career building in architecture' was conducted in collaboration with IIA Malappuram Centre. Ar. Arjun Narayanan from Thought Junction Studio, Ar.Mahir Aalam from Attiks Architecture and Chairman IIA Malappuram, Ar.Shyam Raj Chandroth from the 7th Hue Architect Collective, Ar. Shinoop, from Attic Lab and Ar.Kirti Suvarnan from Satkriya were the panelists.

Panelists with delegates after the second panel discussion

Student Association Activities

As part of independence day celebrations, a quiz competition on 'Monuments in India' and 'Freedom movement' was conducted for the students on August 14. Abhinanda G M and Fina Fathima of S3, Minha Kabeer and Mohammed Basim of S9, Saliha Farha M T and Muhammed Fahmil T of S3 were the winners. Archana S, Associate Professor, Shanik A, Assistant Professor and Nithin M, Assistant Professor were the coordinators. The installation of Society for Students of Architecture (SSA) at MES School of Architecture, for the year 2024 was conducted on August 23. Ar.Noufal C Hashim and Ar. Poonam Noufal, students of the first batch who graduated in 2004 were the key resource persons. Dr. Prasanna T K, Director, MES School of Architecture delivered the welcome address. Dr. Rahmathunza I, Principal, MESCE delivered the presidential address. In her speech she appreciated the interaction of alumni with current students which fosters confidence among students.

Ar. Noufal C Hashim, Chairman, IIA Calicut Centre addressing students during SSA installation

Onam Celebration

Students celebrated onam by organising various cultural activities on September 13. Traditional 'Onam Sadhya' was served for faculty, staff and students.

Study Tour

Students of S5 went for a study tour to Jodhpur, Jaisalmer, Delhi, Kulu, Manali and Agra from September 18 to October 2. Prof. Shiras C M and Archana S, Associate Professor accompanied them.

MANAGEMENT SCIENCE (MBA)

Induction Ceremony of 2024-2026 MBA Batch

The induction ceremony of the 2024-2026 MBA batch was conducted on September 2. Sri. A. Jabarali, State Secretary, MES Kerala inaugurated the event.

Inaugural Address By Sri A.Jabarali,
State Secretary, MES Kerala

Student Development Programmes Organised

Mr.Hashif Moideen, International Corporate Trainer conducted a professional training programme titled "Corporate Edge: Mastering Success skills" for S3 MBA students on July 23 and 24.

Mr.Hashif Moideen, International Corporate Trainer
addressing the students

Dr.Natasha.P, Assistant Professor, Department of Commerce and Management Studies, University of Calicut delivered a talk on "Career Scope of MBA specialisation" for S3 MBA on July 26. Mr. Mohammed Yaseen, International Corporate Trainer conducted a career development training for the first year MBA students from September 3 to September 5.

Training Programme by Mr. Mohammed Yaseen,
International Corporate Trainer

Onam Celebration

The students of MBA celebrated Onam on September 13.

Faculty as Resource Person

Dr.Bindu Anto, Associate professor delivered a talk on 'Employability Skills in Current Scenario' in the orientation programme organised by School of Management Studies, Kuttippuram, Calicut University on September 14.

Paper Publications By Faculty

Dr. K.P. Jabir Moosa, HoD, 'Attitude Towards Advertising : A Study on Transit Advertising with Special Reference to Southern Railways' in the MES Journal of Technology and Management, Vol. 05, No.1, 2024, September 2024, ISSN : 0976 3724.

COMPUTER APPLICATIONS

Ifthar Meet

MCA students organised an Ifthar meet on April 4.

S4 MCA - Group Photo

A group photo of S4 students was taken along with Dr. Rahumathunza I, Principal and faculty/staff members of the department on May 17.

Faculty Development Programmes Attended

Muhammad Jabir C, Assistant Professor completed an Online Master Class on 'Microsoft Copilot' conducted by Skill Nation on July 3. Faculty members of the department attended the FDP on 'Mentoring' conducted by Bino Thomas on July 19.

Inauguration of First Year MCA Bridge Classes

Dr.Rahumathunza I., Principal inaugurated the bridge classes of 2024-2026 MCA Batch on August 21. Hyderali K, HOD delivered the welcome speech. Dr.Geevar C. Zacharias, Assistant Professor introduced the faculty and staff members of the department.

He also explained the rules and regulations of the MCA programme. Febin Aziz, Faculty Advisor of the new batch proposed the vote of thanks.

Orientation Programme for First Year BCA Batch

Hyderali K, HOD inaugurated the department orientation programme for the 2024 - 2028 BCA Batch on September 9. K P Balachandran, Associate Professor introduced the faculty and staff members of the department. He also explained the rules and regulations of the BCA programme.

Onam Celebrations

The students of the department celebrated onam on September 13. The events included musical chair competition, sack racing competition, songs etc. A grand onam feast was served for lunch.

TRAINING AND PLACEMENT (T&P)

Campus Recruitment

The campus placement details during this period is given below.
Global Quest Technologies - 4, FantaCode - 2, Terv Pro - 2

Placement Day

The Placement Day "UJWAL" was conducted at the college auditorium on June 6. Jb. A. Jabar Ali, Treasurer, MESCE inaugurated the function. Dr. Rahumathunza I. Principal, MESCE delivered the presidential address. Dr. Bindu Anto, Placement Officer welcomed the gathering and presented the Placement Report. Jb. K V Bava, Joint Secretary, MESCE and Mr. Jayarajan, Vice President, PTA addressed the gathering. At the event, 153 students of 2020-2024 Batch who got jobs in various organisations were honored with a memento.

Training Programmes Conducted

Manifold Institute of Technical Education conducted training programmes in General Aptitude, Building Programming Logic and Programming Logic Building using Python & C++ in June, July and August.

Faculty Activities

Dr. Bindu Anto, Placement Officer attended the TPO Hub Connect organised by Accenture at Bangalore on July 24.

She also attended the Placement Officers Conference conducted by Placement Officers Consortium at Kochi on August 23.

Campus Placement Drive By Fantacode

Participants of Placement Day

Technical Training Programme By Manifold

NATIONAL SERVICE SCHEME (NSS)

Faculty Achievement

Dr Suneesh P U , Associate Professor, Science and Humanities department received the best unit and best program officer award from Kerala State NSS Cell.

Webinar on Password Security

NSS Unit 304 of the college conducted a webinar on password security on May 5. Mr. Vishnu Vijayan V S, Senior Information Security Manager of Zilicon Technologies was the resource person.

National Doctor's Day

A webinar on 'Monsoon Diseases and Their Prevention' was conducted to celebrate National Doctor's Day on July 1. Dr. Abdul Jaleel V, Assistant Surgeon, FHC Kuzhimanna, Areekode was the resource person.

Dr. Rahumathunza I, Principal and Dr. Suneesh P U, Associate Professor, S&H department receiving the best NSS unit and best programme officer award from Sri Pinarayi Vijayan, Hon. Chief Minister of Kerala

DigiKeralam 2024 Campaign and Survey

NSS Volunteers attended the DigiKeralam 2024 Campaign organised by Tavanur Grama Panchayath on July 29. They were given awareness on how to effectively conduct the digital literacy and accessibility survey in local households. Later they conducted the survey in local households on August 5.

NSS Home Project

The NSS Unit 304 of the college actively participated in the Chittilappilly-KTU Care NSS Home project, aimed at building homes for the underprivileged, on August 7.

Nasha Mukth Bharath Campaign

NSS volunteers organised a 'Nasha Mukth Bharath Campaign' on International Youth Day on August 12. Shamon K Shamsudheen, Programme Officer, NSS Unit 304 spoke about the dangers of drug abuse. Participants of the programme pledged to abstain from drugs.

Rudhirasena Orientation Programme

Rudhirasena orientation programme for NSS volunteers was held on August 21. Sasna M S, Rudhirasena North Regional Coordinator delivered a talk on the importance of blood donation and its role in saving lives.

Teacher's Day Celebrations

NSS volunteers celebrated Teacher's day on September 5. They organised an interactive session where students and teachers shared their messages on colorful sticky notes, expressing gratitude, admiration and personal reflections.

Shanthi Bhavanam Children's Home Visit

NSS volunteers visited Shanthi Bhavanam, a children's home located at Poovanchina, Randathani to bring joy and companionship to the children on September 14. They organised games and cultural events for the children.

Scrap Collection Drive

NSS volunteers organised a scrap collection drive at a nearby school on September 23. The collected scrap was recycled and the funds raised were given to support local charitable initiatives.

Orientation Programme

NSS units of the college conducted an orientation programme for the volunteers on September 28. Professor Sujai K, Former NSS Programme Officer and Coordinator of SCMS Institute for Road Safety and Transportation was the resource person.

DigiKeralam survey by NSS volunteers

Independence Day Celebrations

NSS volunteers celebrated Independence day on August 15. The celebration featured a flag raising ceremony, a rally, patriotic songs and cultural events.

Koode 3.0

As part of NSS week celebrations, a series of programmes (given below) titled 'Koode 3.0', designed to promote community engagement and enhance social awareness among students and local residents were conducted from September 24 to September 30.

Origami Contest

NSS Unit 304 of the college conducted an origami contest for students on September 25.

NSS Spot Cleaning

Volunteers of NSS unit 304 undertook a special initiative to clean the "NSS Spot" in the college, a popular area where students often gather, on September 26.

Food Distribution

Volunteers of NSS Unit 304 distributed food to those in need at nearby railway stations and bus stands on September 27.

Food distribution by NSS Volunteers

A LUMNI ASSOCIATION ACTIVITIES

Financial Support to Mini Canteen Renovation Work

Alumni association sponsored the interior wall painting of the mini canteen in the south campus. The artwork was created by students of MES School of Architecture. Dr. Rahumathunza I., Principal inaugurated the canteen after the renovation work on September 12.

Installation of Air Curtain

Alumni association installed an air curtain in the college auditorium to improve air conditioning and to achieve energy efficiency, on July 10.

Rajatham 2024 - Alumni Reunion of 1995 - 1999 Batch

Rajatham 2024, Alumni Reunion of 1995 - 1999 Batch and annual general body meeting was held on July 13.

Green Campus Initiative

Alumni of 1995 - 1999 Batch planted foxtail palm trees at various locations in the campus on July 13. Prof. Shiras C M and Muhammed Anas B, Assistant Professor were the coordinators.

Dr. Rahumathunza I, Principal inaugurating the mini canteen after renovation

Participants of Rajatham 2024

IEEE

Student Development Programmes Organised

Jishnu A, Chair, IEEE IAS SBC MESCE, conducted a PES Talk on 'Future and Innovation in EV Mobility' at the EEE seminar hall on August 14.

Aiman Sabique, Chairperson HPSBCP Coordinator IEEE PES Kerala chapter and IEEE SB MESCE conducted a PES Talk on 'AI - humanity's final invention?' at the EEE seminar hall on September 4.

IEEE PES SBC MESCE, IEEE Women in Power and IEEE PES Kerala Chapter jointly organised a workshop on Solar Energy for Kudumbasree Ladies on August 28.

Faculty Activities

Harikrishnan G.R, Nodal Officer attended the State Level Nodal Officers Meet held at Rajagiri School of Engineering and Technology, Ernakulam on July 18.

Linkedin Workshop

IEDC MESCE conducted an online workshop titled 'LinkedIn Essentials 2.0 : Promoting the Importance of Personal Branding' on August 4. Mr.Abimel SB Kulumala, Founder of Silicon Society, LinkedIn Personal Branding Coach was the resource person. The workshop had 110 attendees.

Student Activities

Ayisha Basheer C V, Abdul Raheem, Student Leads and Jasim C M, Operations Lead attended the event titled 'Boosting Entrepreneurial Culture in Malappuram District' hosted by Entrepreneurship Development Club at the Malappuram District Collectorate on August 8.

Interaction with IES IEDC

The executive committee members of IEDC MESCE interacted with the newly elected members of IEDC IES, in the IEDC Camp titled 'Inspira' organised by IES College of Engineering, Thrissur on August 18. They talked on 'How to grow an IEDC', and 'How to engage the students at the IEDC camp'.

Participants of IEDC Camp titled 'Inspira'

Threads N' Talks

WOW IEDC MESCE conducted an embroidery workshop and entrepreneurial talk titled 'Threads N' Talks' on August 19. Dr. Rahumathunza I., Principal inaugurated the programme. Ms Zeenath, Founder of Art Shed was the resource person. Fifteen people participated in the workshop.

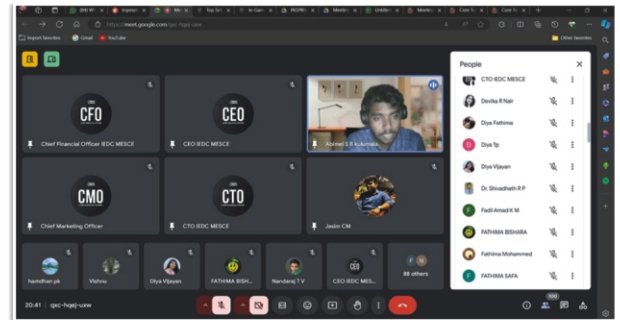

Interaction with Khidmath IEDC

The executive committee members of IEDC MESCE interacted with the members of Khidmath IEDC on August 30. Harikrishnan G R, Nodal Officer gave an overview of the functioning of IEDC. He talked about Genrobotics, a pioneering startup from IEDC MESCE, known for its groundbreaking advancements in robotics technology and national recognition.
