

VISION : To develop an institution of international standing to provide quality education in Engineering Technology and Management and empower students to face challenges, taking care of societal responsibilities

I NTERNATIONAL SEMINAR ON EXCELLENCE IN EDUCATION AND RESEARCH

MES College of Engineering, Kuttippuram and the University of Technology and Applied Sciences, Oman jointly organised a seminar on the theme 'Excellence in Education and Research' on January 27 and 28. Esteemed personalities from both national and international spheres participated in the event.

The program commenced with a welcome address by Dr. Rahumathunza I., Principal, MESCE. Er. K.V. Habeebullah, Secretary, MESCE presided over the event. Prof. P.O.J. Lebba, Chairman of the Standing Committee, inaugurated the program. The keynote speech was delivered by Dr. Yahya Obaid Al Shamsi from the University of Technology and Applied Sciences, Oman. He elaborated on the need for climate-responsive and eco-friendly Green buildings, highlighting their benefits, climate-specific requirements, and Oman's future plans in this domain.

The seminar found to be notable with the participation from key figures such as Dr. Avathif Saleh Al Amouri, Deputy Director of the University of Technology and Applied Sciences, Oman, Jb.A. Jabbar Ali, Treasurer, MESCE, Dr. P.R. Sreemahadevan Pillai, Director, MESCE.

Dr. Nafeesa K., Programme Convenor proposed the vote of thanks. Subsequent sessions featured presentations by prominent experts, including Dr. Sayeed Sharif, ICIQ, Spain, Dr. P.R. Sreemahadevan Pillai and Dr. Arun Rahul S., IIT Palakkad, who discussed various topics in detail. This seminar served as a platform for meaningful discussions on global education and research trends, inspiring students and educators to enhance their skills on an international level.

International Seminar on Excellence in Education, in collaboration with University of Technology and Applied Sciences (UTAS), Oman - Speakers in an interactive session.

SAYONARA'25 Passing Out Ceremony

The SAYONARA'25 Passing out Ceremony was held on 22nd February 2025 (Saturday) at MES College of Engineering, Kuttippuram. The event was attended by graduates from different departments spanning across various academic years, along with their parents and family members who came to celebrate the academic achievements of their loved ones.

Passing out ceremony of MESCE - SAYONARA'25

MISSION :

- ➔ To provide state-of-art knowledge and skills to serve industry and society with dedication.
- ➔ To develop creativity and innovative research capabilities in the students, making them capable of useful contributions in the creation of knowledge society.
- ➔ To inculcate leadership qualities, human values and social responsibilities in the youth to make them leaders in nation building.

MES COLLEGE OF ENGINEERING, KUTTIPPURAM

Thrikkanapuram P.O., Malappuram Dt., Kerala - 679 582

Approved by AICTE, Affiliated to A.P.J. Abdul Kalam Technological University & Calicut University

Visit us at : <http://www.mesce.ac.in> [f/mescollegektptm](https://www.facebook.com/mescollegektptm)

Principal Dr. Rahumathunza welcomed the gathering. The presidential address was delivered by Jb. O.C. Mohamed Salavudeen, the treasurer, MES, Kerala. The Chief guest Dr. James, (Pro Vice Chancellor, Karunya University and Former Chairman) delivered the inaugural address. Jb. A. Jabbarali (Treasurer, MES College of Engineering, Kuttippuram), Jb. C.T. Zakir Hussain (State Secretary, MES, Kerala), Jb. Abdurahiman. V.P (State Secretary, MES) and Dr. P.R. Sreemahadevan Pillai (Director, MES College of Engineering, Kuttippuram) addressed the gathering. Dr. Prasanna T.K. (Program Convener - Director, School of Architecture) delivered the vote of thanks.

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE (ADS)

Student Achievements

Diya Fathima was selected for the final round of the Prime Ministers Viksit Bharat Young Leaders Dialogue of National Youth Festival.(February 2025).

Student Association Activities

The annual activities of ADTEC titled 'AIGNITE 2025' was inaugurated on February 3. It was followed by a technical talk on 'Smart Security: AI Powered Protection' for the students. Mr. Mohammed Irfan, CEO, Exouzia and Fasalu Rahman, MD, Exouzia were the resource persons.

Industrial Visit

S8 students visited Jammu and Kashmir from February 18 to March 1.

Faculty Development Programmes Attended

Abin C Jose, Assistant Professor attended an FDP on 'Engineering Entrepreneurship and IPR' jointly organised by APJKTU, KSUM and Udyamam Learning Foundation from March 5 to March 26.

Iftar Meet

The department organised an Iftar meet titled 'Miqdad 25' on March 13.

Mohammed Musthafa, Afeef Anversha, Mohammed Rishad, Indrajith and Vyshakh secured second prize in the 'Codetrek 25', 24 hour hackathon

Technical talk on " Smart Security: AI Powered Protection" by Mr. Mohammed Irfan, CEO and Exouzia and Fasalu Rahman, MD, Exouzia for ADS students

CIVIL ENGINEERING (CE)

Student Achievements

Shahana Sherin of S8 secured First Prize in the C-Prize 2025 competition conducted by Armstech Pvt. Ltd. for final year students.

Niya Fathima and Shahana Sherin of S8 achieved a perfect 10 CGPA in the Eighth semester University examinations.

Rihala Ashraf, Muhammed Athif K C, Zameel C P, Mohammed Afleh A C and Khadeeja Nidha, students from S8 won the first prize in IDEAVERSE-Idea pitching competition hosted by IEDC VISAT4.

Diya T.P. from S5 received a cash prize of ₹25,000 in the community voting sector at the Ideathon during the Money Conclave 2024.

Student Association Activities

The department in association with BIMLABS Pvt. Ltd., CEA, ICI Student Chapter and ASCE Student Chapter organised a seminar on BIM titled 'BIM Ignite' for the final year students on January 24.

The department association organised a seminar on 'Road Safety Awareness' at the department seminar hall on January 27. Babu S., Assistant Professor was the resource person.

The department association, in collaboration with the ICI and ASCE Student Chapters, organised a visit to Scale 'N' Pencil in Thrissur. This event provided participants with hands-on training focused on Kerala Building Codes, Zoning Regulations, and Accessibility Standards.

COMPUTER SCIENCE AND ENGINEERING (CSE)

Student Association Activities

Matrics, Department student association have conducted the following programs.

A website development workshop at CCF Lab on January 14. Mr. Mohammed Aslam, CTO, TrickyDot Technologies was the resource person.

An online poster designing competition on February 8.

'Tech Horizon - a seminar on Cyber Security, AI, and Emerging IT Trends with Industry Insights' for S6 students on February 10. Mr.FasaluRahman, MD, Exouzia, Mohammed Irfan M., CEO, EV, and Abdul Rahman, President, Exouzia were the resource persons.

The association day titled 'HUEZA'on February 14. Ms. Amina N.M., English and Soft Skill Mentor, RP2 India Pvt. Ltd. was the chief guest of the event.

The department magazine 'Cypher' for the year 2024 was released on February 14.

Matrics, Placement Cell and Codex jointly organised a 24-hour Hackathon on February 28. Dr.Rahumathunza I, Principal distributed the prizes for the winners on March 28. Matrics conducted an Iftar party at the college auditorium on March 18.

Department Association of CSE-released their Magazine entitled "CYPHER"

ELECTRICAL AND ELECTRONICS ENGINEERING (EEE)

Faculty Development Programmes Attended

Syed Farook K., Assistant Professor attended the FDP on 'Entrepreneurship and IPR' held at MESCE from January 6 to January 10.

Harikrishnan G.R., Assistant Professor attended the online FDP on 'Predictive Analytics and Optimisation for Industrial Applications' organised by Finessefleet Foundation and Sanjivani University from February 3 to February 8.

Jasila E.K., Assistant Professor attended the ATAL FDP on 'Strategic Approaches and Emerging Trends in Data Science' at Federal Institute of Science and Technology from February 10 to February 15.

Annes Philip, Assistant Professor attended the FDP on 'Mobile Security and Forensics' organised by Dept. of CSE, Malaviya National Institute of Technology, Jaipur from February 18 to February 23.

Faculty Activities

Swathy Sekhar, Assistant Professor participated in the NPTEL Star Felicitation event conducted by IIT Madras on February 9.

MoU

The department signed a MoU with team Exouzia Pvt. Ltd on February 4.

Faculty as Resource Person

Harikrishnan G.R. delivered a technical talk on 'Scope of Data Science' at IES College of Engineering, Thrissur on February 7.

Paper Presentation By Faculty

Swathy Sekhar, Assistant Professor presented a paper titled 'Emerging Trends in Molecular Property Prediction: A Survey of Single and Multimodel Approaches' at the 2nd National Conference on Intelligent Biosystems for Healthcare Analytics NCIBHA-25 at Karpagam Academy of Higher Education on March 5.

Paper Publication By Faculty

Gaya Nair, Assistant Professor, 'Diabetic Retinopathy Detection and Severity Classification: A Vision Transformer Model Approach and Federated Learning Approach', African Journal of Biomedical Research (ISSN: 119-5096) — Web of Science Indexed.

Harikrishnan G.R., Assistant Professor, 'Advanced short-term load forecasting for residential demand response: An xh Burst-ANN ensemble approach' in Electric Power System Research, Volume 242, 2025 (SCIE, Q1, IF-3.3).

Faculty Development Programme organised

Department of Electrical and Electronics Engineering, MES College of Engineering Kuttippuram organized a 5- day Faculty Development Program on "ENTREPRENEURSHIP and IPR" from 6th January to 10th January 2025 in ONLINE mode. Sessions are handled by experts from IITs, NITs, leading research & academic organizations.

Faculty Activities

A proposal was submitted to UTAS for starting a solar class for their students.

MES Campus School Science Club students visited the Solar Plant installed in the EEE Block on 1/01/2025. Mr. Pramodkumar explained the technical details of the Solar Plant to the students. Mr. Jouhar M, Principal Peace Public School Kottakkal, presented the token of appreciation and gratitude to the vibrant team of MES College of Engineering Kuttippuram, for conducting the Disaster Awareness & Kit Training Session for Grade 5-9 students of Peace Public School Kottakkal, on February 25, 2025 in association with India & Kerala Chapter of the IEEE as a part of their MOVE GLOBAL PROGRAMME. The programme was organized by the Department of IT & HSGA Unit of Peace Public School Kottakkal. Mr. Junoob, S6 EEE participated in this programme.

MES Campus School Science Club students visited the Solar Plant installed in the EEE Block

MATRICES, the department association of CSE, conducted the Aventron (24-hour Hackathon) - prize distribution ceremony

5 - day Faculty Development Program Entrepreneurship and IPR - Online Session

ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

Dr Sreekanth, Adjunct professor, in the domain of robotics, conducted an informative session for ECE students on the Topic "Understanding Engineering from an Entrepreneur's Perspective" on January 3. Fourth and sixth semester ECE Students attended the session.

Student Association Activities

Association of Electronics and Communication Engineering (AECE) Conducted the following programs.

A session on "BITS TO CHIPS" For the students of S6 AND S8 , the session was handled by Mr.EDETBIJOY,digital IC design Engineer,Taiwan on January 28.

IEEE RAS SBC MESCE IN association with AECE Conducted a session on "Building Robotic Arm" on January 15.

A simulation lab entitled "Basics of Arduino"exclusively for sixth semester students. The resource person was Ajin P Joseph, Embedded systems Engineer-Techmage Technology Solutions.

A talk session on "Building career opportunities through LinkedIn for S6 ECE Students on February18.

A hands -on training program and simulation lab entitled "Introduction to La Tex" led by Ashwin K, S7,ECE, AECE Technical team member, MESCE,on March 23.

A training program and simulation lab entitled Safeel A, Technical Associate, IEDC on March 24. Safeel A, Technical Associate, IEDC was the resource person.

An iftar meet -"Hazarath" on March 17.

Hands -on training program and simulation lab entitled "Introduction to La Tex" led by Ashwin K, S7, ECE, AECE Technical team member.

Faculty Activities

Ms. Nasarathul Nisha P.K, Asst Prof. in ECE Participated in the faculty development Programme on "Entrepreneurship and IPR" Organized by the Dept of EEE from January 6 to 10.

Dr.Rejith Kunnath Neelakantan has successfully participated & completed AICTE Training And Learning (ATAL) Academy Faculty Development Program on Indian Health, Wellness & Psychology(including Ayurveda) at Nehru college of Engineering and Research Centre from January 20 to 25.

Ms.Nasarathul NishaP.K, Mr.RejiramR, Mr.RINO P C, Ms.AyshaBava, Asst prof ,Dept OF ECE, and Soumya T V,Instructor ,Dept of ECE,Attended International seminar on Excellence in Education & Research held at MESCE in Collaboration with UTAS,Oman from January 27 to 28.

Dr Sreekanth interact with students in his session "Understanding Engineering from an Entrepreneur's Perspective"

MECHANICAL ENGINEERING

Paper Publications

Er. Arun S has successfully published two Scopus indexed technical journals as part of his ongoing research.on Potential of high entropy alloys in welding process.

[Arun, S., N. Radhika, and Bassiouny Saleh. "Exploring the Potential of High Entropy Alloys: A Comprehensive Review on Microstructure, Properties and Applications: Part I." Johnson Matthey Technology Review 68.4 (2024): 549-566.<https://doi.org/10.1595/205651324X17028969538851>

Arun, S., N. Radhika, and Bassiouny Saleh. "Exploring the Potential of High Entropy Alloys: A Comprehensive Review on Microstructure, Properties and Applications: Part II." Johnson Matthey Technology Review 68.4 (2024): 567-582. <https://doi.org/10.1595/205651324X17219214368431>]

Patent received for journal published on invention

Er. Shamon K Shamsudheen has successfully filed a patent for his research journal entitled - "Fiber reinforced composite materials and methods for comparing and enhancing mechanical properties-" patent office journal no.51/ dated 20/12/2024.

Paper Presentation By Faculty

Er. Shamon K Shamsudheen has participated and presented a paper entitled"A Conceptual review on parameters, design and modelling techniques effect on friction stir welded dissimilar metal joints" in the 1st international conference on innovations and future scope of mechanical engineering in digital era (ICIFMEDE2025) organized by Department of Mechanical Engineering, Anurag University, Hyderabad, India.

Paper Presentation By Faculty

Muhammed Rafi and Deepak M, Assistant Professors presented a paper at the International Virtual conference on Unleashing The Entry to E-Corporates organised by Nehru College of Engineering Research Centre, Pambady on January 7.

Al Thasni and Soumya B, Assistant Professors presented a paper at the National Conference on Entrepreneurship and Sustainable Tourism organised by Delhi School of Business on February 10.

Dr. P shivadasan delivering the inaugural address during MESMERIZE 25

Mesmerize 2025

The department organised the annual management meet 'Mesmerize 2025' on February 27. Dr. P.Sivadasan, President of the Palakkad Management Association inaugurated the event. He also released the placement brochure of the department. Dr.K.P.Jabir Moosa, HOD welcomed the gathering. Dr.Rahumathunza I., Principal delivered the presidential address. Dr. P. R.Sreemahadeva Pillai, Director, Ms.Nanditha Partithosh, President,Cosmopolitan Club, Palakkad.and Deepak M, Staff coordinator gave felicitations. Muhammad Shadi, Student Coordinator proposed the vote of thanks. The principal distributed prizes in the closing ceremony. It was followed by a musical performance by the college band.

Iftar Meet

The department organised an Iftar Meet titled 'SAWM' on March 21. Soumya B, Assistant Professor was recognised for her humanitarian contributions in the function. She played a vital role in coordinating a charity fund to assist with the medical treatment of the husband of a cleaning staff member in the department.

COMPUTER APPLICATIONS

The department of computer applications and CASA jointly organised 'INTEGX', a workshop on 'Building Projects and Research Papers with Credibility in Academia: AI Tools and Ethical Practices' for the students of the department on February 10. Dr.Shiju Kumar P S and Mr. Jishnu K S, Assistant Professors in the Department of Computing Technologies,SRM Institute of Science and Technology, Kattankulathur, Chennai were the resource persons.

The department of computer applications in collaboration with CASA organised 'Code & Compose', a workshop on Latex for S4 MCA students on February 11. Dr. Geevar C. Zacharia, Assistant Professor was the resource person.

The department students association CASA organised a motivational talk titled 'The Power of You:Strengthen, Reflect and Succeed' for MCA and BCA students on March 18. Mr.Basil Ibrahim K V, Director, Artistic Engineering Models, Saudi Arabia was the resource person.

Student Development Programmes Attended

S4 MCA students attended the research seminar by Harikrishnan G R, Assistant Professor in the CSE department on February 3.

Industrial Visit

S4 MCA students went for an industrial visit to Agra and Delhi from February 19 to February 26. Athira R, Assistant Professor, Mathematics department and Jibeesh C M, Lab Instructor, computer applications department accompanied them.

Ifthar Meet

The department organised an ifthar meet at the college auditorium on March 11.

Mr.Basil Ibrahim K V, Director, Artistic Engineering Models, Saudi Arabia interact with students - Motivational Talk - The power of you

Dr.Geevar C.Zacharias, Assistant Professor interact with participants of workshop on Latex entitled 'Code & Compose'

Dr.Shiju Kumar P S, Department of Computing Technologies, SRM Institute of Science and Technology in his session - a workshop on 'Building Projects and Research Papers with Credibility in Academia

Workshop on Photoshop Design

IEEE CS SBC MESCE conducted a workshop on photoshop design titled 'Inception '25' on January 2. Mr. Muhammed Shaliq, ECC IEEE SB MESCE was the resource person.

Website Development Workshop

IEEE CS SB and MATRICES jointly organised a workshop on website development on January 14. Mr. Muhammed Aslam, Chief Technology Officer at TrickyDot Technologies was the resource person.

IoT Project Exhibition

IEEE RAS SBC MESCE in collaboration with AEEE MESCE conducted an IoT project exhibition titled 'ProSpark' on January 28. Mr. Jishnu A, Chairperson, IEEE RAS SBC MESCE, Sahal K P, Chairperson, IEEE RAS SBC MESCE and Ms. Nuha Fathima, Secretary, IEEE RAS SBC MESCE were the coordinators of the event.

Daylight 3.0 - Solar Workshop

IEEE PES SBC MESCE in association with IEEE Malabar SubSection conducted a solar workshop titled 'Daylight 3.0' on February 27. The speakers for the session were Dr. Nafeesa K, Advisor, IEEE PES SBC MESCE, Pramod Kumar M.P., Instructor Gr I, EEE department, Idirees Shafi A, Instructor Gr I, EEE department.

IEDC, MESCE Co ordinated Cluster Meeting on 19 November 2024. Adarsh Vijayan, Project Assistant, Kerala Startup Mission and Akhil Hakim, Fellow of Startup Mission were the resource persons.

Inspiria 2025

The event spanned two days, featuring workshops, talk shows, and panel discussions, catering to the diverse interests of approximately 180 budding entrepreneurs. Dr. P R Sree mahadevan Pillai, Director, MESCE, Mrs. Smitha P., Asst. Manager District Industries Centre, Malappuram, Mr. Harikrishnan, Nodal Officer, IEDC MESCE, Mr. Abdul Raheem and Ms. Aysha Basheer CV, Have addressed the gathering in inaugural session. In valedictory ceremony Mr. Vishal SG Project Manager, Gen Robotics, delivered an inspiring address.

IoT Project Exhibition conducted on January 28

IEDC Cluster Meet 2024 in Malappuram

Workshop on website development on January 14

Student Achievement

The following students were selected for the 2025-2026 Student Leadership Team in January 2025.

1. Fathima Sana E (S6 ECE) - Content creator IEEE PES Kerala Chapter
2. Minhas Poozhithara (S6 ECE) - Event Coordinator IEEE ComSoc Kerala Chapter
3. Shahadiya M (S4 CSE) - Malabar Hub MDC IEEE PES Kerala Chapter
4. Aysha Aleena Firoz(S6 ECE) - Malabar HSR IEEE ComSoc kerala Chapter
5. Sheiza Mackbool (S4 CSE) - Designer IEEE ETIS Kerala Chapter

'Inspiria '25' - IEDC (25th and 26th of February)

Student Achievements

Mohammed Basim M and Arshaq K.N got selected for Young Investors Programme 6.0 and advanced from the district level to the state level competition, conducted by the K- DISC, Government of Kerala.

Mohammed Basim and Arshaq K.N won the state level in the YIP 7.0 conducted on February 1.

Mohammed Basim of S10 B arch was one of the speakers on the topic 'Behind the frames' for scale up held on February 15. He also won the project exhibition competition for presentation of 9th semester dissertation work for scale up on February 16.

Student Association Activities

MES School of Architecture was awarded institutional membership by 'The Indian Institute of Architects' in 2025. With more than 50 students taking membership with IIA, an event to install a student centre at MESSOA and handing over of SSA to students of 2021 admission was organised at MES School of Architecture on March 12.

Ar. Bibin Cheriyan along with attendees after the lecture on 'Industry Readiness For Architecture Students'

Ar. Vinod officially inaugurated the event. Ar. Mahir A. Alam in his presidential address emphasized the significance of MES School of Architecture becoming a student centre of IIA, that it is the 2nd student centre in Malappuram and the 10th in the country. Dr. Rahmathunza, Principal, MESCE extended a warm welcome to the guests. Dr. P. R. Sreemahadevan Pillai, Director, Ar. Praveen Chandra, Ar. Sujith Kumar immediate past president of IIA Kannur Centre, Ar. Anoop P, IIA Palakkad Centre Chairperson, Ar. Arjun N, IIA Malappuram Centre Joint Secretary, Ar. Adil IIA Kerala Sports Chairperson, Ms. Fathimath Naseeth A (President), Ms. Hanfa Zerine Ibrahim (Secretary) and Ms. Misbah Sheriff (Treasurer), SSA President Ms. Naseethath, and Muhammed Nihal, Chairman of students centre addressed the gathering. A message felicitating the installation by Ar. Sudheep Sudharman, IIA Kerala Chapter Secretary, who could not attend the event in person was played for the attendees. The event concluded with a vote of thanks delivered by Ms. Sarah R. Salim.

Design Enclosure - with Ar. Anoop K. Nair, Student IIA members of all semesters went for a residence case study visit with accompanying members of faculty, Prof. Shiras C M, Asst. Prof. Haneen Pallatodi and Asst. Prof. Amrutha on February 25.

Student development programs

A training program entitled 'Industry Readiness For Architecture Students - Showcasing Your Skills to the World' (2 sessions) was organized on 19.03.2025. Ar. Naseema Annachampallil and Ar. Bibin Cheriyan, both alumni from MES School of Architecture addressed the students.

IIA Students Centre and SSA, MESSOA for the academic year 2025-26 with Office bearers of IIA and Director and Principal of MESCE and Faculty of MESSOA

MES School of Architecture team receiving the trophy after winning the overall championship at 'Archera 2025'

MES School of Architecture, Kuttippuram, successfully hosted the Archera 2025 Inter-College Sports Meet, where the hosts emerged as the overall champions. Participation by 9 institutions, 12 competitions, 206 external delegates and 181 internal delegates made 'Archera 2025' a memorable event.

Faculty Activities

Ar. Amrutha K A underwent training in 'Estimation And BOQ For Architects And Designers' organized by Delopus, pvt.Ltd from 06.12.2024 to 23.01.2025

Assoc. Prof. Archana Sreedharan and Asst. Prof. Hasnath attended the international Seminar on 'Excellence in Education and Research' organized by MESCE, Kuttippuram and UTAS, Oman on 27th and 28th Jan 2025.

Other Events

Students of semester II visited the city of Pondicherry and Auroville centre as part of a study trip during 25th to 27th January 2025. They were accompanied by Asst. Prof. Shameem and Asst. Prof. Nithin M.

Students of semester IV visited the city of Mumbai for the design case study during 23rd to 27th January 2025. They were accompanied by Assoc. Prof. Merin Maliyamave L, Asst. Prof. Dillu M.

TRAINING AND PLACEMENT (T&P)

Campus Recruitment

The branch wise placement details of 2025 pass out batches from January 2025 to March 2025 is given below.

AIDS-13, ARCH-2, CE-4, CSE-13, ECE-12, EEE-10, IT-13, ME-5, MBA-2, MCA-9, M.Arch-1, M.Tech CE-1, M.Tech CSE-2, M.Tech ECE-2, M.TechEEE-1

Vignana Kerala Virtual Job Fair

Our college initiated the Vignana Kerala Virtual Job Fair using Skill Delivery Platform-Kerala facility from February which will continue till May 2025.

Placement Officers Meeting

Dr. Bindu Anto, Placement Officer attended the workshop for Training and Placement Officers of selected Engineering Colleges in Kerala jointly organised by the Kerala Knowledge Economy Mission and Democratic Alliance for Knowledge Freedom at College of Engineering, Thiruvananthapuram on January 16.

NATIONAL SERVICE SCHEME (NSS)

The NSS 304 unit of MES College of Engineering, Kuttippuram, organized an online quiz competition on National Youth Day to celebrate the ideals of Swami Vivekananda on January 13. The event aimed to inspire young minds and encourage intellectual growth.

As part of our commitment to social awareness, our NSS unit 304 of MESCE Kuttippuram conducted "Sadgamaya," a legal awareness program initiated by Kerala state legal services authority (KeLSA) for college students on January 28. The session focused on anti-drug awareness, with Mr. Jayaraj P. K., Deputy Excise Commissioner, as the chief speaker.

The NSS Unit 304 of MES College of Engineering, Kuttippuram, organized a successful blood donation camp on January 29.

Secret scribbles-Anonymous letter to a friend-As part of Valentine's Day celebrations, NSS Unit 304 of MESCE Kuttippuram organized an anonymous letter-writing program to honour friendship on February 14. This unique initiative allowed participants to express their appreciation for friends through heartfelt messages.

Blood donation camp conducted on January 29

The NSS Unit 304 of MES College of Engineering, Kuttippuram, organized a comprehensive survey (February 19) in a nearby locality under the Balasauhrida Bhavanam initiative, aiming to assess the well-being and needs of children. Volunteers engaged with families, gathering data on education, health, and social conditions. The survey highlighted key issues such as access to schooling, nutritional concerns, and psychological well-being. Based on the findings, the unit plans to organize awareness programs and support initiatives.

The NSS units of MESCE Kuttippuram inaugurated the "Bala Sauhrida Bhavanam" project, in collaboration with Thavanur Grama Panchayat and CWC to provide a safe space for children February 21. Dilip Kainikkara IAS, Subcollector of Tirur, was the chief guest. The event highlighted the importance of child welfare and community support.

The NSS 304 volunteers of MES College of Engineering, Kuttippuram, recently conducted a signboard cleaning drive to enhance campus visibility and aesthetics on February 26.

NSS volunteers
Signboard cleaning drive to enhance campus visibility

"Life is Beautiful" is a statewide anti-narcotics campaign launched by the Government of Kerala in collaboration with the NSS and the Department of Education. NSS 304 unit of MES College of Engineering played a key role in organizing the camp on March 3, making it a vibrant and impactful event. As part of the initiative, on March 27, students stamped colorful handprints on a large canvas, symbolizing their personal pledge against drug use.

NSS Unit 304 of MES College of Engineering, Kuttippuram organized a Ramadan Kit Distribution Drive during the holy month of Ramadan on March 21.

In this meaningful initiative, 200 Ramadan kits were distributed to underprivileged families across nearby localities. College Director Dr. Sreemahadevan Pillai, Secretary Er. Habeebulla, and Principal Dr. Rahmathunza I. also joined and supported the initiative.

Anti-narcotics campaign conducted on March 27
