

VISION : To develop an institution of international standing to provide quality education in Engineering Technology and Management and empower students to face challenges, taking care of societal responsibilities

BEST NSS UNIT NATIONAL AWARD

The NSS Unit 191 of MES College of Engineering, Kuttippuram has been recognised nationally, receiving the prestigious My Bharath NSS Award 2022-23 for the best NSS unit and Best Programme Officer. This honour was presented by Smt. Droupadi Murmu, the Hon'ble President of India. The award was received by Dr. Rahumathunza I., Principal, MES College of Engineering, Kuttippuram and Dr. Suneesh P. U., NSS Programme Officer.

Dr. Suneesh P. U. receiving the
Best NSS Programme Officer award from
Smt. Droupadi Murmu,
the Hon'ble President of India

Dr. Rahumathunza I., Principal receiving the best NSS unit award from Smt. Droupadi Murmu, the Hon'ble President of India

MISSION :

- To provide state-of-art knowledge and skills to serve industry and society with dedication.
- To develop creativity and innovative research capabilities in the students, making them capable of useful contributions in the creation of knowledge society.
- To inculcate leadership qualities, human values and social responsibilities in the youth to make them leaders in nation building.

MES COLLEGE OF ENGINEERING, KUTTIPPURAM

Thrikkannapuram P.O., Malappuram Dt., Kerala - 679 573

Approved by AICTE, Affiliated to A.P.J. Abdul Kalam Technological University & Calicut University

Visit us at : <http://www.mesce.ac.in> 

NBA ACCREDITATION

The National Board of Accreditation granted accreditation to the undergraduate civil engineering, computer science and engineering, electrical and electronics engineering, and electronics and communication engineering programmes until 31st December, 2028. Representatives of the National Board of Accreditation visited the college and assessed the relevant programmes on August 8, 9 and 10.

Dr. Rahumathunza I, Principal presenting key insights to the NBA Team

INAUGURATION OF FIRST YEAR CLASSES

The induction ceremony and inaugural function of First Year Classes were held at the college auditorium on August 13. Er. K. V. Habeebullah (Secretary, MESCE) delivered the welcome speech. Sri Dilip K Kainikkara IAS (Sub collector, Tirur) inaugurated the event. Jb. M.M. Rasheed (Treasurer, MESCE), Dr. Rahumathunza I (Principal , MESCE), Dr. P R Mahadevan Pillai (Director, MESCE) addressed the gathering. Heads of all Departments were introduced to the gathering. With the feedback of parents, the inaugural ceremony came to a close. After the inaugural ceremony, orientation programmes of various departments were also held.

Inaugural Address By Sri Dilip K Kainikkara, Sub collector, Tirur

ONAM CELEBRATION

As part of Onam celebrations, MES Kerala organised an Onam Souhruda Sadas at the college auditorium on August 26. Sri K.P.Ramanunni, renowned malayalam writer inaugurated the event. Er. K. V. Habeebullah, Secretary, MESCE, Jb. M.M. Rasheed, Treasurer, MESCE, Dr. Rahumathunza I, Principal , MESCE and Dr. P R Mahadevan Pillai, Director, MESCE shared their insights

Er. K. V. Habeebullah , Secretary, MESCE presenting a memento to Sri K.P.Ramanunni, renowned writer

and experiences about Onam, extending their best wishes. The event concluded with a grand onam feast in the afternoon.

The students and staff of the college joyfully celebrated Onam on August 27.Various events like musical chairs, dance performances and singing were held.

Students and Staff during Onam Celebrations

AGRI-BUSINESS NETWORKING VIA THE STUDENT TRIBES

Agri-Business Networking via the Student Tribes (K-ABizNest), a programme jointly organised by IEDC, the Placement Cell, NSS and Kudumbashree was conducted on October 18 at MES College of Engineering, Kuttippuram. Inaugurated by Hon'ble Minister Shri V. Abdurahiman, the program aimed to empower youth by promoting entrepreneurial thinking and agri-business

opportunities through modern technologies. The event featured addresses from Dr. Rahumathunza I., Principal, Mr. Sreekumar, District Mission Officer, and Ms. Manshooba, District Program Manager, Kudumbashree, along with felicitations from Kudumbashree officials and Dr. Bindu Anto, Placement Officer.

Dr.Rahumathunza I, Principal presenting a memento to Shri V. Abdurahiman, Hon.Minister of Kerala

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE (ADS)

Paper Presentation By Student

Muhammed Nazmal Nizar, Muhammed Sajil Khalid, Mohammed and Noor Fathima of S7, 'Intruder Detection System', International Conference on Smart Technologies: AI, IoT, and App Development, Department of CSE, SIMAT, Vavanoor, August 7-8

CIVIL ENGINEERING (CE)

Student Development Programmes Attended

S1 M.Tech students successfully completed the NPTEL certification course on 'Rock Mechanics and Tunnelling', offered by IIT Kharagpur.

Paper Publications

Reniya Akbar, S7 student, Dr.Muneera C.P, Associate Professor, "Qualitative Risk Analysis in High Rise Building Projects Exploring Emerging Trends in Civil Engineering", Volume 1, Lecture Notes in Civil Engineering (LNCE, Vol 737)

Faculty Development Programmes Attended

Ambili S, Ramya M S, Dilruba K M, Babu S, and Divya Mohanan, Assistant Professors participated in the online FDP titled "Introduction to Artificial Intelligence & Data Science," organised by the Department of Artificial Intelligence and Data Science at METS School of Engineering, Mala in collaboration with Penciblitz, Coimbatore, on September 20.

Student Association Activities

The department student association CEA, ICI, and ASCE Student Chapter organised an expert talk titled "From Blueprint to Reality: Expert Insight on Construction Excellence" on September 25. Prof. Dr. K. A. Abubaker, Standing Committee Chairman at MES Engineering and Architecture College, delivered the session.

Dr.K.A.Abubaker, Standing Committee Chairman, MES Engineering and Architecture Colleges along with faculty members and students

COMPUTER SCIENCE AND ENGINEERING (CSE)

Student Association Activities

Matrics, the department student association conducted a µLearn Orientation Programme on September 16. The session was led by Mr. Mohammed Anfas K P, µLearn

Malappuram District Lead, who provided valuable insights into the vision and opportunities offered by µLearn.

Matrics organised a technical talk on 'Modern Technologies for Project Development' at the department seminar hall on September 25. Mr. Sarith Divakar M, Assistant Professor at LBS College of Engineering was the resource person.

Faculty Achievement

Jasila E K successfully completed her PhD at the National Institute of Technology, Calicut.

Research Activities

Dr. Jasila E K, Associate Professor served as a reviewer and technical program committee member for the International Conference on Robotics and Mechatronics, organised by Amrita Vishwa Vidyapeetham at the Amritapuri campus in Kollam.

Faculty Development Programmes Attended

Sreekanth E S, Assistant Professor attended a webinar titled "Explore Emerging Fields in Computer Science and Engineering to Choose Your Research Path", organised by the Department of Computer Science and Engineering at SRM University.

Technical Talk By Mr. Mohammed Anfas K P, µLearn Malappuram District Lead

Technical Talk By Mr. Sarith Divakar M, Assistant Professor at LBS College of Engineering

Paper Presentation By Faculty

Aswathy Babu C A, Assistant Professor, "Opportunities, Challenges and Future in ADHD Detection Using AI-Powered Models", Research Forum at the National Institute of Technology, Kozhikode.

Farzana T, Assistant Professor, "Exploring Deep Learning-Based Diagnostic Models for Age-Related Macular Degeneration: A Comprehensive Overview", The 4th International Conference on Advances in Data-Driven Computing and Intelligent Systems (ADCIS 2025), Christ (Deemed to be University), Kengeri Campus.

COMPUTER SCIENCE AND ENGINEERING (CYBER SECURITY) (CSE-CYB)

Student Achievement

Muhamed Aqeel, Mohammed M N, Mishal, and Nimitha N K of S3 won the Engineers' Day Celebration 2025 Quiz Finale, organised by the Institution of Engineers (India) - Student Chapter at MES College of Engineering, Kuttippuram on September 18.

Lubna T of S1 won the IEEE PES MESCE Quiz 2025 on October 7.

Student Association Activities

The department student association "Cipher" was inaugurated on September 9. Dr. Rahmathunza I, Principal of MESCE, launched the name and logo. It was followed by a technical talk titled "Emerging Technologies: Turning Skills into Opportunities" featuring Mr. Roshan Kynadi, CEO and co-founder of Zuper App.

Inauguration of students association "Cipher"

Technical talk by Mr. Roshan Kynadi, CEO & Co-founder of Zuper App

Cipher conducted HACKQUEST: Hands-On Training in Ethical Hacking on October 10. Mr. Gladwin M S, a Cyber Security Researcher and Ethical Hacker was the resource person.

ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

Student Association Activities

The department student association AECE organised a 'Photoshop Workshop' on September 11. Mr. Muhammed Shaliq E, Design lead, AECE was the resource person.

AECE hosted a talk session on entrepreneurship, "BizTalks," for S3 students on September 18 at the ECE Seminar Hall, in collaboration with the Training and Placement Cell. Dr. Bindu Anto Ollukaran, Placement Officer and Associate Professor in the MBA Department, led the session.

AECE organised a hands-on workshop titled "Introduction to Cyber Security" for S7 students on September 19. The session was led by Gladwin M S, Cyber Security Analyst and Senior Trainer at BSoft Bangalore.

AECE organised a hands-on workshop titled "Waves & Bits: Antenna Modulation Design" for S7 students on September 24. AECE organised a hands-on workshop titled "Modelling and Simulation of Communication Systems Using Simulink" for S5 students on September 26. These sessions were conducted by Dhanoop K. Dhinapal, MATLAB Application Engineer at CoreEL Technologies.

AECE organised a hands-on workshop on PROTEUS, focusing on circuit simulation and design, ideal for aspiring electronics engineers on September 25. The speaker was Musharaf Muhammed K M, Technical Lead at AECE.

Student Achievement

Fathima Sana P. V., a student in S1 won third prize in the IEEE Day PES Quiz 2025.

Faculty Development Programmes Attended

Ms. Aysha Bava M and Ms. Neenu T.S., Assistant Professors in the department attended a five-day national-level Faculty Development Programme on "Recent Trends and Future Perspectives of AI in Image Processing: Tools, Techniques & Applications" in October. The programme was organised by the Department of ECE at SA Engineering College in association with Pantech Solutions Pvt Ltd.

ELECTRICAL AND ELECTRONICS ENGINEERING (EEE)

Student Association Activities

The “TESLA 2025” idea pitching school-level competition took place on August 20.

AEEE MESCE in association with the KSEB Engineers’ Association organised the Dr. APJ Abdul Kalam Energy Quiz (District Level) at the department seminar hall on October 10. Abdul Manaf K and Risana Jabin from S7 EEE won the quiz and represented their college in the state-level energy quiz on October 15 where they secured fourth place.

Student Activities

Sumayya from S3 EEE and Abdul Hadi from S3 ECE participated in the Skill Kerala Summit held in Kochi on August 29.

EEE students participated in the science exhibition "Sci-Xplore 25" held at MES Higher Secondary School, Irimbliyam on September 29.

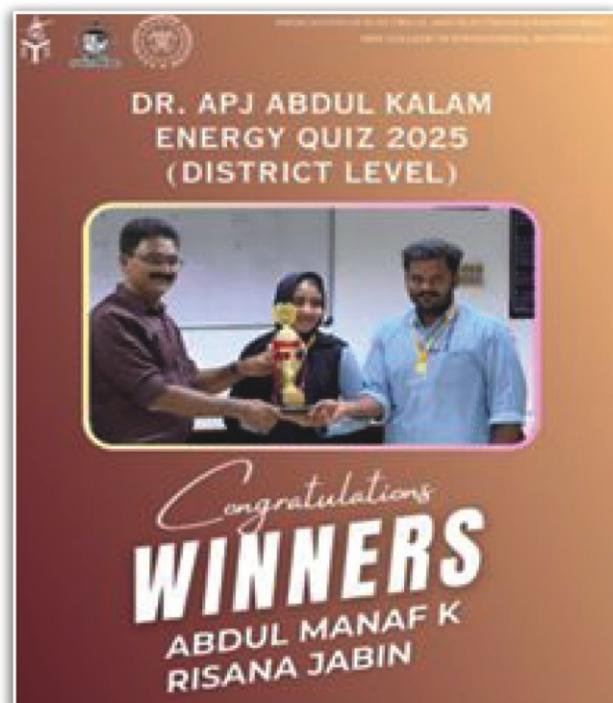

EEE students in the Science exhibition
"Sci-Xplore 25"

Student Development Programmes Organised

The department organised MATLAB Workshops for S5 and S7 students on September 10 and 11 respectively. These workshops aimed to enhance students' understanding and practical skills in MATLAB, a powerful tool widely used in engineering, mathematics, and scientific research. Mr. Riyas, Senior Application Engineer at Math Works Products CoreEL was the resource person.

Industrial Visit

S5 students went for an industrial visit to Goa on September 26.

Faculty as Resource Person

Dr. Maya G, Associate Professor conducted two sessions in the AICTE-ATAL Online Faculty Development Programme on “Progressive Safety Engineering Strategies in Manufacturing and Industrial Applications” held at St. Mary’s Polytechnic College, Palakkad on September 23.

MECHANICAL ENGINEERING (ME)

Student Achievement

Mimshal Noushad, a student of S7 has successfully completed his summer internship in automobile design engineering at Iron Clad, Special Vehicles and Automobiles Outfitting LLC, Dubai, UAE, under the guidance of Er. Afsal Muttipalathingal Hamsa, Production Manager at Iron Clad, on August 1. Hilan, Vishnu R, and Ansif A K, all students of S7, have successfully completed their internship in the IC Engine Division of the Mechanical Engineering Department at Cochin Port Authority on September 18.

Ajin V, T M Arman Akbar, and Muhammad Shanif, all students of S7, have successfully completed their internship training at PeeKay Steel Casting (P) Limited on October 7.

Mohammed Ansil N K, Muhammed Shafeel N, Anees Rahman N R, Mohammed Ashfin K, and Shaheem Ali C P have successfully completed their internship programme coordinated by four different departments—Ship Building, Ship Repair, Indigenous Aircraft Carrier and Defence Projects, and Safety and Training Institute—of Cochin Shipyard Limited from September 22 to 26.

Paper Publications By Faculty

Profiles and Advancements in FSW Process - A Progressive Review', 1st International Conference on Innovations and Future Scope of Mechanical Engineering in the Digital Era , 01 October 2025.

SCHOOL OF ARCHITECTURE (ARCH)

Student Achievement

Ms.Sareena Sirab, a 2021 graduate from MESSOA, won gold medals from SPA Vijayawada and in Master of Planning (Urban and Regional Planning) for the year 2024-25.

Student Association Activities

The Career and Skill Development and MESSOA Students Association (SSA) hosted a talk by Dr. Suresh Kuppuswami on August 6, where he highlighted the gap between architectural education and professional practice, emphasizing the importance of understanding clients' needs. He illustrated this with the phrase, "My house can grow gradually as I grow." Ms. Anita Shamla, Managing Director of DDG BIM Services, led a session on Building Information Modelling (BIM), discussing its benefits for architects and its applications in enhancing workflow efficiency on August 7.

Inspection By Council of Architecture

The Council of Architecture conducted its official inspection of the department on September 15 and 16. The inspection team, comprising Ar. Persi Rusi Engineer and Ar. Jayalakshmi G., conducted a thorough evaluation focused on assessing the quality of student academic work and the departmental infrastructure available to students.

Faculty Development Programmes Organised

The Entrepreneurship Awareness Program (EAP) under the COA-MSME Collaboration for neograduates was held on October 8 at the MES School of Architecture to foster entrepreneurship and promote innovation. Dr. (Prof.) Manoj Kumar K, Managing Director KTIL and Principal KTID inaugurated the program. Dr.Prasanna T.K., Director, MES School of Architecture, welcomed the gathering. Dr. Sree Mahadevan Pillai, Director, MESCE delivered the presidential address. The distinguished speakers of the programme were Ar. Aabid Raheem, Ar. Praveen Chandra, Mr.Gireesh M and Ar. Sabu Francis. Assoc Prof. Merin Maliyekal, coordinator of the COA- MSME event, delivered the vote of thanks. More than 40 participants from institutions across Kerala and practicing architects attended the event.

MANAGEMENT SCIENCE

Fresher's Day

"KAAM," the Fresher's Day for the 24th MBA Batch (MBA 2025-27), was conducted on August 12 in the department seminar hall.

Site Study

S5 students conducted a site study at INKEL City, Malappuram on August 19. They were accompanied by Shahna Haneef, Associate Professor, and Shameem S. and Shanik A., Assistant Professors.

S5 students at Inkel City, Malappuram

Participants of the Entrepreneurship Awareness Programme along with resource persons and faculty members

Student Development Programmes Organised

The department organised a seminar on Supply Chain Analytics to enhance students' understanding of modern business practices, in the department seminar hall on September 19. Mr. Faris K M, Edupreneur from BSOFT Education Pvt. Ltd., Bangalore, served as the resource person, sharing valuable insights into how analytics is transforming supply chain management and improving decision-making in businesses.

Dr. G.S. Sandhya Nair conducting a Case Study Workshop for S3 MBA students

Dr. G. S. Sandhya Nair, Associate Professor at Sree Vivekananda College, Kunnamkulam, conducted a case study workshop for S3 MBA students on September 20.

Inaugural address by Mr. Iqbal Pokkunnu, General Manager of GSS Co. Ltd., KSA

Industrial Visit

The S1 MBA students visited the Jeevan Tea Factory in Narakakanam, Idukki on October 25.

Student Achievement

Mufidha Shamil, an MBA student secured Second Prize in the Digital Marketing category at the Kudumbashree Business Competition held as part of K-ABizNest.

Nabeel, a student of S1 MBA secured Third Prize in the Product Designing Competition held during the K-ABizNest.

COMPUTER APPLICATIONS

First Year BCA Classes - Department Orientation

The department orientation programme of the first year BCA batch was held on August 13. Hyderali K, HOD delivered the welcome speech. Balachandran K P, Associate Professor introduced the faculty and staff members of the department. He also explained the rules and regulations of the BCA programme.

Faculty Development Programmes Attended

Febin Aziz and C M Sulaikha, Assistant Professors attended the online FDP on 'Agentic AI : Empowering Educators and Learners' organised by the department of computer applications, Mohandas College of Engineering and Technology, Thiruvananthapuram from August 12 to August 16.

C M Sulaikha, Assistant Professor participated in the webinar on 'Empowering Agile Teams : Roles and

Mr. Jubair T, a Securities Market Trainer, conducted a training programme for the S3 MBA Batch at the department seminar hall on October 17 and 18. The session covered investment avenues in India, including prospectuses, mutual fund precautions, and prerequisites for investing in the securities market.

Mesmerit 2025

The department organised a passing out ceremony titled 'Mesmerit 2025' for the 22nd batch of MBA students at the College Auditorium on September 23. Mr. Iqbal Pokkunnu, General Manager of GSS Co. Ltd., KSA, inaugurated the program, marking a proud moment for the graduating students, their families, and the faculty. Ms. Shafna M. S., the batch topper received the Proficiency Award 2025 for academic excellence in the function.

Responsibilities of Scrum Master' organised by School of Information Science, Presidency University, Bengaluru on August 22.

C M Sulaikha, Assistant Professor attended the ATAL Academy FDP on 'AI in Action : Bridging Theory and Practice in Data Science and Deep Learning' organised by St. Mary's College, Thrissur from September 15 to September 20.

Paper Publications By Faculty

C. M. Sulaikha, A. Somasundaram, 'A Hybrid Decision Logic Framework Combining Fuzzy Systems and Machine Learning Classifier for Post-Fermentation Tea Quality Grading', International Journal of Basic and Applied Sciences, 13 September 2025.

PTA Meeting

The PTA meeting of S3 BCA was held on October 9.

MATHEMATICS

Faculty Achievement

Dr. Mansoor P, Assistant Professor is serving as the Course Coordinator for the MOOC on Numerical Methods offered under SWAYAM during July - December.

Dr. Mansoor P, Assistant Professor translated Lectures 86–103 of the NPTEL course on Computational Systems Biology into Malayalam under

the NPTEL Translation Project utilising the machine learning tool Translingua in September.

Faculty as Resource Person

Dr. Mansoor P, Assistant Professor conducted a webinar on "Applications of Differential Equations", organised by the Department of Mathematics at Saintgits College of Engineering, Kottayam on October 27.

TRAINING AND PLACEMENT (T&P)

Vignana Keralam Virtual Job Fair

Vignana Keralam Virtual Job Fair was conducted using the Skill Delivery Platform-Kerala Facility from August 2 to October 25.

Workshop - Vignana Keralam Programme

Dr. Bindu Anto, Placement Officer and Mr. Shakeel T P, Assistant in the T&P Cell, attended a workshop at PTM Government College, Perinthalmanna as part of the Vijnana Kerala Programme on August 12.

The workshop emphasised student engagement and skill development initiatives.

Campus Recruitment Drive

Electrifex, Mitsogo Technologies, ProSpiders, Berger Paints, Agile Capital Services, Image Infosystems, Sobha Limited, Carbon Craft, Innovature Software Labs, Robotek, and Bajaj Life Insurance conducted campus recruitment drives between August 19 and October 31.

Campus Placement Drive by Image Infosystems

Campus Placement Drive by Mitsogo Technologies

NATIONAL SERVICE SCHEME (NSS)

Scrap Collection Drive

The volunteers of NSS unit 304 organised a scrap collection drive under the NRPF at Tavanur Panchayath on August 8 to support the Chittalappilly Foundation Snehakkodu Project and APJAKTU NSS in completing a home construction. They collected reusable materials like paper, plastic, and metal.

Shanthi Bhavanam Children's Home Visit

The volunteers of NSS unit 304 visited Shanthibhavanam, a children's home located in Poovanchina, Randathani on August 28 to bring joy and companionship to the children. They organised a variety of games and cultural events.

Students visiting Shanthibhavanam Children's Home

Swapnakkodu Thakkol Dhaanam Ceremony

On September 25, NSS Unit 304 proudly conducted the Thakkol Dhaanam ceremony for the "Swapnakkodu" home built in Koorada, Tavanur, as part of the 100 Homes Project in collaboration with the Kochouseph Chittilappilly Foundation and KTU NSS Cell. The house key was officially presented by the Honourable Tavanur MLA, Dr. K. T. Jaleel. The event was attended by MES College Secretary Er. Habeebullah, Principal Dr. Rahmathunza I, Director Dr. P. R. Sree Mahadevan Pillai, Programme Officer Shamon K. Shamsudheen, NSS Volunteer Secretary, and other dedicated volunteers.

Dr. K. T. Jaleel, Tavanur MLA handing over the key for the "Swapnakkodu" home built in Koorada, Tavanur

Movie Night

NSS Unit 304 organised a Movie Night featuring "Premam" in the college auditorium. The event successfully merged entertainment with a meaningful social cause, raising funds for the APJKTU NSS and the Chittilappilly Foundation's Snehakkodu Project on October 14.

Logo Launch

The 10th Anniversary Logo Launch of IEDC was held on August 8. Hosted by Ayisha Nidha, the event featured an inspiring speech by Principal Dr. Rahmathunza I, who reflected on IEDC's achievements. Nodal Officer Harikrishnan G R emphasised the importance of student entrepreneurship, while

Dr. P. R. Sreemahadevan Pillai, Director provided visionary insights. The evening's highlight was the unveiling of a new logo, designed by Habeeb Rahman and Fathima Sana, which was warmly appreciated. The event concluded with a vote of thanks from Diya O, CEO of IEDC.

10th Anniversary Logo Launch of IEDC MESCE

IEDC Orientation Programme

IEDC conducted an introductory session, "What's IEDC," for first-year students on August 19 to familiarise them with its functions and opportunities for fostering innovation. Mr. Arun, Assistant Nodal Officer was the resource person.

The IEDC EXECOM team engages with first-year students during the orientation session

Innovation and Networking Workshop

SPARK '25, an Innovation and Networking Workshop was held on August 23. Dr. Rahmathunza I, Principal and Dr. P.R. Sreemahadevan Pillai, Director jointly inaugurated the event. Nodal Officer Mr. Hari Krishnan GR shared insights into IEDC's mission and growth opportunities, while Executive Committee members introduced themselves and provided guidance to newcomers.

Frizbee 2025

The MESCE Frizbee 2025 event, the annual tech and cultural fest of IEEE SB MESCE, Kuttippuram, took place on September 12, 13, and 14.

Day 1 included hands-on workshops in Embedded Systems, VFX, and Robotics, along with an ice-breaking session. Day 2 featured activities, a motivational talk by Noor Jaleela, a photography session with Mohammed Basim, a treasure hunt, and a cultural night with the Aflah band. On the final day, participants attended workshops and a session on ethical hacking and cybersecurity by Farhan Bin Fazil, concluding with prize distribution and participant feedback.

Introduction to Industry on Campus

The "Introduction to Industry on Campus" event took place on October 15 for IEDC members in the Main Seminar Hall. CEO Ms. Diya Fathima O welcomed the attendees. Mr. Kamarul Jamal, CEO & Founder of Verbo was the resource person. COO Mr. Hilan proposed a vote of thanks.

Student Achievement

Devadathan, Sreelesh, Naveen, and Senin of S7 ADS secured 3rd Prize in the Hackathon organised by Mulearn at KOTECH 2025.

Participants of Frizbee 2025

Student Development Programmes Organised

The IEEE CS SBC MESCE successfully organised a webinar titled “Introduction to Power BI” on August 16 via Google Meet. Ms. Nandana R, WIE Secretary of IEEE SB MITS was the resource person..

The IEEE SB MESCE organised a “PCB Designing Workshop” on September 27. Ms. Vafiya T.K, Mr. Minhas Poozhithara, Ms. Nandana TV, and Ms. Nuha Fathima were the resource persons.

PCB Designing Workshop

Faculty Activities

Dr. Nafeesa K, HOD and Dr. Thasneem Fathima N K, Associate Professor participated in the IEEE International Women Leadership Summit at Raviz Kadavu, Kozhikode on October 24 and 25. Dr. Nafeesa K also served on the organising team for the summit.

Dr. Nafeesa K, HOD conducted the IEEE Day PES Quiz competition for first-year students to select winners for the state-level competition on October 7.

SPORTS AND GAMES

Staff Achievement

Valsala K, a staff member of the department and an international powerlifter has been appointed as an executive member of the Malappuram District Sports Council.

Ms. Valsala K

Badminton

The women’s team of MESCE secured fourth position in the KTU E-Zone Shuttle Badminton Tournament held at JCET, Lakkidi on September 29.
