NEWSLETTER
FROM **MES**
COLLEGE OF
ENGINEERING
KUTTIPPURAM

Volume 19 Issue 1
2025 November - 2026 January

VISION : To develop an institution of international standing to provide quality education in Engineering Technology and Management and empower students to face challenges, taking care of societal responsibilities

CHRISTMAS AND NEW YEAR CELEBRATIONS

The staff and students of the college celebrated Christmas on December 19. A standout feature of the celebration was the cutting of a Christmas cake, which fostered a sense of togetherness and joy among students and staff.

The staff recreation club of MESCE celebrated the new year by organising a gift exchange programme at the college auditorium on January 1. Dr. Rahumathunza I., Principal inaugurated the programme. Jb.M.M.Rasheed, Treasurer, Dr. Sree Mahadevan Pillai, Director, Prof. Dilshad Rasheed V A, President, Staff Club and Mr. Muhammed Azad A., Secretary, Staff Club addressed the gathering.

Dr. Rahumathunza I, Principal inaugurating the gift exchange programme during New Year Celebrations

MES YOUTH FESTIVAL

MES College of Engineering, Kuttippuram secured an overall 9th position in the MES youth festival, held at Ernakulam from January 29 to 31. The event drew enthusiastic participation from over 30 colleges and more than 3,000 students statewide.

Ayisha Suman (S4 CSE) won 2nd prize in Acoustic Guitar, Adhil Hameed (S4 CSE) secured 3rd prize in Mappilappattu (Solo), Nimitha N. K. (S4 CSE-CYB) won 3rd prize in the English Story Writing competition, and Fathima Basheer (S4 ADS) won 3rd prize in English Elocution.

Participants from MES College of Engineering, Kuttippuram

MISSION :

- ➔ To provide state-of-art knowledge and skills to serve industry and society with dedication.
- ➔ To develop creativity and innovative research capabilities in the students, making them capable of useful contributions in the creation of knowledge society.
- ➔ To inculcate leadership qualities, human values and social responsibilities in the youth to make them leaders in nation building.

MES COLLEGE OF ENGINEERING, KUTTIPPURAM

Thrikkanapuram P.O., Malappuram Dt., Kerala - 679 582

Approved by AICTE, Affiliated to A.P.J. Abdul Kalam Technological University & Calicut University

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE (ADS)

Student Achievement

Naveen P, Sreelesh C, Senin Ashraf, Devadathan C and Abhishek P of S8 secured a prize in the Aventron-30 hour Hackathon organised by MATRICS, Department Association of CSE in collaboration with CODEX coding club on December 5 and 6.

Dr.Rahumathunza I. , Principal handing over the prize to S8 ADS students who secured a place in the Aventron-30 hour Hackathon

Devadathan C from S8 has been invited to join the University NSS Advisory Committee for the academic year 2025-2026.

CIVIL ENGINEERING (CE)

Student Achievement

Anjala Sherin M. V. of S4 has been deputed as a volunteer to participate in a seven-day residential camp organised by the State NSS Cell in collaboration with the Disaster Management Cell.

Faculty Development Programmes Organised

The department organised a Faculty Development Programme titled “Civil Engineering Software Hands-on Training” in association with CADPOINT, Valanchery from November 24 to November 29. The event was coordinated by Remya M. S. and Babu S., Assistant Professors. Conducted in hybrid mode at the Civil Engineering CAD Lab, the programme successfully attracted 33 faculty members.

Student Association Activities

An expert talk on “Special Concrete” was organised by the department under the auspices of the ASCE Student Chapter for B. Tech Civil Engineering students on December 9. The session featured Dr. Sreemahadevan Pillai, Director, as the keynote speaker.

Faculty Development Programmes Attended

Twelve faculty members of the department participated in the five-day AICTE Training and Learning (ATAL) Academy Faculty Development Programme on Disaster Management and Resilient Structures held at IES College of Engineering, Chittilappilly from December 15 to December 20.

The CEA, ICI Student Chapter, and ASCE Student Chapter, in association with Akbar Travels Abroad, organised a talk on “Language Development and Global Career Pathways” for final-year Civil Engineering students at the department seminar hall on December 18.

The CEA, ICI Student Chapter, and ASCE Student Chapter of MESCE conducted a social outreach visit to Tavanur Old Age Home on January 12. During the visit, students engaged with the residents, organising cultural programs that featured songs and dances, and actively encouraged their participation.

Student Association Activities

The department student association ADTEC conducted a photo contest titled ‘Capture photos based on campus moments’ on December 17.

ADTEC organised a hands-on workshop focussed on web development, titled “Arcane-Vibe Coding Challenge,” for all college students on December 18.

“Arcane-Vibe Coding Challenge” Workshop

Students visiting Tavanur old age home

Paper Presentations By Faculty

Divya Mohanan, Assistant Professor presented a paper titled “Developing a Comprehensive Framework for Sustainable Housing: Bridging Gaps in Building Rating Systems of Developing Countries” at the Global Conference on Sustainable Materials and Smart Manufacturing (GCSMSM 2026), held at The HQ, Goa, India on January 5 and 6.

Paper Publications By Faculty

Babu S., Assistant Professor, “Soil Erosion Assessment for Northern Kerala Utilising RUSLE Method and GIS Technique”, International Journal of Environmental Sciences.

Dilruba K. M., Assistant Professor, “Mix Design of Flexible Pavement Using Human Hair and Fly Ash as Additives”, Lecture Notes in Civil Engineering, Proceedings of the 7th International Conference on Modelling and Simulation in Civil Engineering 2024, Volume II, Springer Publications.

Sreechithra P, Assistant Professor, “Robotics as a Transformative Technology in Construction and Manufacturing Sector”, International Journal of Science and Research (IJSR), Volume 15 Issue 1, January 2026.

COMPUTER SCIENCE AND ENGINEERING (CSE)

Research Activities

Harikrishnan G.R. Assistant Professor served as a reviewer for the IEEE International Conference on “Robotics and Mechatronics” (ICRM 2025) held at Amrita Vishwa Vidyapeetham, Kerala on November 7 and 8.

Dr Jasila E.K., Associate Professor served as a reviewer at the International Conference on “Emerging Trends in Signal Processing and Computational Intelligence” (ICSPCI-2025) held at GEC, Kozhikode from December 3 to 5.

Faculty Development Programmes Attended

Fahma P and Shyni K, Assistant Professors participated in the FDP on “Data Analysis for Smart Grid Applications” organised by the Department of Electrical and Electronics Engineering, SRM Institute of Science and Technology from November 15 to November 19.

Aswathy Babu C.A., Assistant Professor participated in the online FDP on “Writing and publishing in High Impact Journals: From Idea to Publication” organised by the Department of Electronics and Communication Engineering, Mahaguru Institute of Technology from November 21 to November 26.

Gaya Nair P., Assistant Professor attended the FDP on “Computer Vision with Vision Transformers” organised by the Department of CSE at the College of Engineering, Kidangoor from December 1 to December 5.

Dr Jasila E.K., Associate Professor participated in the online FDP and workshop titled “N-Gauge: Navigating Agentic AI and LLM” organised by the Department of Computer Science and Engineering, IIIT Kottayam from December 8 to December 12.

Badharudheen P., Assistant Professor participated in the AICTE Training and Learning (ATAL) Academy FDP on “Next-Gen Intelligence: HPC, Applied AI, and Data Science” at TOC H Institute of Science and Technology December 8 to December 13.

Swathy Sekhar, Assistant Professor participated in the online FDP on “Advances in LLMs: From Deep Learning to Generative AI” organised by the department of CSE, NSS College of Engineering, Palakkad from December 15 to December 19.

Annes Philip, Assistant Professor attended the online FDP on “AI in Education: Teaching, Learning and Assessment” organised by the department of CSE at Mount Zion College of Engineering, Pathanamthitta from January 5 to January 9.

Student Association Activities

The department student association Matrics conducted a 30 hour hackathon titled “Aventron” on December 5 and 6. Students from various colleges participated in the event. Team Ex-Machina from IIIT Kottayam secured the first prize. Fareeh K V, Drishwin Kumar, Hamdhan P K, Nasreen P, and Shad Afrad S of S6 secured third prize in the event.

Matrics and Ones Education Academy jointly organised an awareness programme on GATE, IES, PSC and SSC examinations on January 16.

Competitive Examinations Awareness Programme

Industrial Visit

Students of S8 CSE A went for an industrial visit to Delhi, Rajasthan, Kulu and Manali from January 21 to February 2. They were accompanied by Aneesh M. Haneef and Farzana T, Assistant Professors.

Students of S8 CSE B went for an industrial visit to Delhi, Rajasthan, Kulu and Manali from January 23 to February 4. They were accompanied by Nusrath P.K, Assistant Professor and Firoz K.H., Instructor.

S8 CSE B Students in front of Taj Mahal

Paper Publications By Faculty

Gaya Nair P., Assistant Professor, “Detection of Diabetic Retinopathy using Federated Proximal Averaging Model” (Scopus indexed).

COMPUTER SCIENCE AND ENGINEERING (CYBER SECURITY) (CSE-CYB)

Student Association Activities

The department students association “Cipher” organised a hands-on workshop titled “AI in Digital Marketing” on December 30. The session was led by Mr. Muhammed Shahin, CEO and Founder of Cyberwise Digital Campus.

Faculty Development Programmes Attended

Dilshad Rasheed V A, HOD and Shini K, Assistant Professor attended the FDP on “Next- Gen AI: From deep learning and transformers to responsible AI” organised by Amal Jyothy College of Engineering, Kanjirapally in November.

Soumya P V, Sumiyath O and Anjana N, Assistant Professors attended the FDP on “Data Science” organised by MEA Engineering College, Perinthalmanna in November.

ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

Faculty Development Programmes Attended

Sreedhiya R, Assistant Professor attended the online FDP on "Writing and Publishing in High Impact Journals: From Idea to Publication" organised by the Department of ECE, Mahaguru Institute of Technology from November 21 to November 26.

Dr.Rejith K N, Associate Professor, Nasarathul Nisha P.K, Farisha T, Faseela K P, Aysha Bava M and Neenu T S, Assistant Professors participated in the online FDP on "Bridging Electronics and Biomedical Engineering: Innovation and Emerging Technologies" organised by Dept of ECE, Nehru College of Engineering and Research Centre, Pampady, Thrissur.

Sifna N Shajahan, Assistant Professor, Dept of ECE, successfully completed the NPTEL MOOC on "Privacy and Security in Online Social Media" held from July 2025 to October 2025.

AECE conducted a Hands-on workshop on "Arduino Mindspark" at the department simulation Lab on December 8. The participants explored microcontroller programming, sensor integration, and hands-on projects to build interactive electronics. Musharaf Mohammed, Technical Lead, AECE was the resource person.

AECE, in collaboration with the Sanchar Mitra Scheme of the Department of Telecommunications, Government of India, conducted a webinar on Telecom Evolution and Cyber Safety for first-year students on December 8. The webinar aimed to enhance cyber safety awareness by emphasising online security practices, recognising scams, and protecting digital footprints. Vafiya T K and Shana Afrin T A were the speakers. AECE organised a workshop on "Soldering and Smart Bulb Assembly" titled "Ignite" for the first year ECE students at the communication lab on January 17.

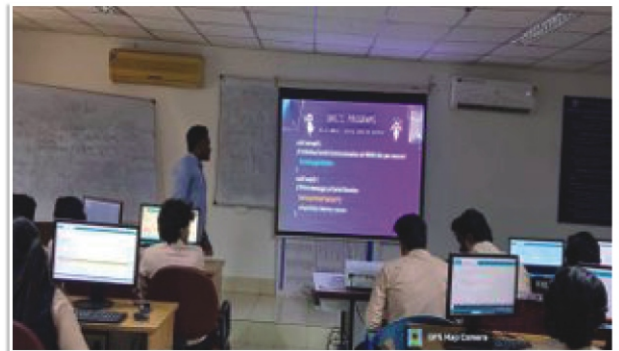

Student Association Activities

The department student association AECE organised a Talk Session on "Bridging Campus to Corporate" for the first year ECE students on December 5. Mr. Favas C M, Embedded Engineer, Bagmo Pvt Ltd was the resource person.

AECE organised an outreach programme "Dive into Electronics" for high school students on December 5. Students learned about various projects in the programme.

"Dive into Electronics" Workshop

"Arduino Mindspark" Workshop

ELECTRICAL AND ELECTRONICS ENGINEERING (EEE)

Student Achievement

Abdul Manaf, Risana and Ijaz, students of the department received third prize in the Engineers' Day Quiz Competition.

Student Development Programmes Organised

A workshop on "Digital Gates and Circuits" was conducted for the students of MESCE Campus School, Kuttippuram at the Embedded Systems Lab on November 18. Idirees Shafi A and Mohammed Midlaj, Instructors were the resource persons.

A PCB designing workshop was organised for S6 students on December 6.

Sreedhiya R, Assistant Professor delivered an informative talk on "Digital Electronics" for S4 EEE Students on January 9.

As part of the educational outreach activity of our institution, a dedicated team of students and staff members of ECE and EEE departments conducted experiential learning sessions at Peace Public School, Kottakkal on January 13.

Mr. Satheesh from ONES academy conducted a valuable GATE orientation class for S4 students on January 17.

Workshop on "Digital Gates and Circuits"

GATE Orientation Programme for S4 Students

Dr. Ajith Gopi, Founder and CEO of ZONERGIA Service Pvt. Ltd, along with his team interacted with S4 students on January 23. They also discussed the installation of the BESS system in the College with HOD and staff members of the department. In observance of the International Day of Clean Energy, the Green Energy Forum (GEF), MESCE organised a webinar titled "Clean Energy Blueprint:How We Will Power the 21st Century" on January 26. Er. Labeeb, Assistant Engineer, 66 kV substation, Palakkad Medical College, served as the resource person.

Paper Publications by Faculty

Nesihath M K, Assistant Professor, Dr. Nafeesa K, HOD, EEE, "Design and implementation of energy management system for optimal hybrid residential microgrid", Electrical Engineering, Springer, <https://doi.org/10.1007/s00202-025-03410-2>, November 26, 2025.

INFORMATION TECHNOLOGY (IT)

Student Achievement

Swetha Lenitta and Binyameen S N of S8 got placed in BlackHawk Network at Bangalore. Binyameen S. N., Manu Krishna, and Mohammed Aflah from S8 received a cash prize of Rs. 2000 for achieving second place in the Engineers' Day Celebration 2025 Quiz Finale, organised by the Institution of Engineers (India) - Student Chapter, MES College of Engineering, Kuttippuram, on 7 January.

Industrial Visit

S8 students went for an industrial visit to Delhi and Manali from January 21 to February 2. Anjana N., Assistant Professor accompanied them.

MECHANICAL ENGINEERING (ME)

Faculty Activities

Arun S, Assistant Professor attended the nodal officers meet-up in IEDC Summit 2025 organised by Kerala Startup mission at the Central University of Kerala, Kasaragod on December 21.

SCHOOL OF ARCHITECTURE (ARCH)

Faculty as Resource Person

Merin Maliyamave L, Associate Professor delivered an expert lecture on QGIS in the FDP on "Civil Engineering Software - Hands-On Training (Hybrid Mode)," organised by the Department of Civil Engineering in association with CADPOINT, from November 24 to November 29.

Student Development Programmes Organised

Ar. Jayakumar J from CET ,Thiruvananthapuram conducted a session on "The Design Process in Architecture" for S6 students on January 12.

Student Association Activities

The Heritage Club, under the department students' Association SSA organised a competition titled "Capture Your Heritage."

The Literature Club organised a "Treasure Hunt" for first-year students in celebration of Children's Day.

The prize distribution ceremony of the Treasure Hunt competition

Alumni Activities

Ms. Keerthana, an alumna of the 2021–2025 B.Tech batch, conducted an inspiring talk on December 2.

Faculty Activities

Dr. Nafeesa K, HOD and Idirees Shafi A, Instructor participated in a social outreach programme of fixing solar lanterns in the remote area of Attappadi Oorukul in association with GEC Palakkad on January 4 and 5.

Educational Tour

S8 students embarked on an Educational Tour to Delhi on January 25.

Dr. K. A. Abubaker, Standing Committee Chairman, presenting the cash prize to the runners-up of the Engineers' Day 2025 Quiz Finale

S8 students visiting Qutb Minar

Student Achievement

Students from the department achieved impressive results at METAMOS 2025, held at MES Perinthalmanna on December 15. Spot Reel – First Prize : Thahnoon Bin Ashraf, S6 Best Management Team – Second Prize : Mohammed Aslam C, Mohammed Shubin, Fina Fathima, and Sahala Ismail, S6 Spot Dance – Third Prize : Haifa Zahariya, S6

Liyana Khadeeja from S6 B.Arch has been shortlisted for the C P Kukreja Design Trophy at the National Association for Students of Architecture (NASA).

Minha Kabeer from the 2020-2025 batch has been selected as the "Best Outgoing Student of the Year 2025" by the Indian Institute of Architects (IIA).

Site Visits

As part of the Semester 6 academic elective on Tropical Architecture, a field visit was conducted to Kalpathy to understand vernacular architectural practices and their response to tropical climatic conditions.

MANAGEMENT SCIENCE

Student Achievement

Musayyab, Liyana Shirin, Hari S, Muhsin, Merin George and Fidha Fathima of S4 MBA have been successfully placed at QSpiders, Bangalore.

MSA Fest

The S4 MBA students organised MSA Fest, an intradepartmental management competition, on November 5. The event featured a variety of engaging management activities, including the Best Management Team competition, a Treasure Hunt, and a Business Quiz. Muhamed Rafi, Assistant Professor, served as the staff coordinator for the programme. Dr. Rahmathunza I, Principal, Dr. Sreemahadevan Pillai, Director, and Dr. K. P. Jabir Moosa, HOD, graced the prize distribution ceremony with their esteemed presence.

Paper Presentations By Faculty

Muhamed Rafi and Deepak M., Assistant Professors, presented a paper entitled "Measuring Valuation Sustainability and Growth Potential: A Comparative Financial Analysis of the Electric Vehicle and Fintech Sectors on the National Stock Exchange" at the 8th edition of the Social Science Research Colloquium held at SCMS Campus in Cochin on January 21 and 22.

Industrial Visit

S4 MBA students visited the Romsons Group Company, Agra on January 22.

Faculty Activities

Dr. K. P. Jabir Moosa, HOD conducted a session on "Career Prospects and K-MAT Awareness" at MES Arts and Science College, Amayur, Palakkad, on January 28.

Dr. K. P. Jabir Moosa, HOD interacting with the students of MES Arts and Science College, Amayur

NATIONAL SERVICE SCHEME (NSS)

Scrap Collection Programme

NSS Unit 191 organised a Scrap Collection Programme, aimed to promote environmental awareness and responsible waste management among students. Volunteers collected recyclable materials, including paper, plastic, metal, and e-waste, from the campus and nearby areas.

Scrap collection programme organised by NSS Unit 191

Phoenix Project

NSS Unit 191 conducted a two-day residential camp for the "Phoenix Project", organised by the State NSS Cell.

S4 students visited the temple town of Guruvayur as part of site study for design exercise.

S6 students visited the site at Fort Kochi and the building Elroi by Sunny Diamonds, Thrissur as part of a case study on multi use building.

Student Development Programmes Organised

Mr. Thomas Mechery Joseph from the Department of Technical Education, Kerala conducted a "Language Workshop" for S2 MBA students on January 22.

Mr. Preetham Menon, Training and Adventure Entrepreneur and his Team conducted an "outbound training" for S2 MBA students at the college campus from January 8 to January 10.

Mr. Baiju K., Assistant Registrar at the Project Office (Coir), Ponnani, conducted a seminar on "Nurturing Entrepreneurship" for the MBA students at the department seminar hall on January 16.

Mr. Thomas Mechery Joseph conducting a workshop for S2 MBA students

LED Bulb Repair Workshop

An LED bulb repair workshop was conducted under NSS Unit 304 to promote practical skills and raise awareness about energy conservation on December 17.

LED Bulb Repair Workshop

Energy Management Exhibition

NSS Unit 191 conducted a presentation for the State-level Energy Management Exhibition held in Ernakulam.

Energy Awareness Programme

NSS Unit 304 organised an energy awareness programme on December 16. This programme effectively created awareness and encouraged students to support sustainable energy initiatives.

Food Fest

NSS volunteers organised a vibrant food fest to raise funds for a social cause on January 12. The fest featured a variety of delicious, home-cooked dishes prepared by students and staff.

COMPUTER APPLICATIONS

Student Development Programmes Organised

The department student association CASA organised a comprehensive Git and Github workshop for S1 MCA students on November 5. Mr. Muhammed Sanweer K. T., Developer at Tecnotalim was the resource person.

Dr. Geevar C Zacharias, Assistant Professor conducted a "Comprehensive Latex Documentation Workshop" for S4 MCA students on January 19.

Hyderali K, HOD inaugurating the "Comprehensive Latex Documentation Workshop"

TRAINING AND PLACEMENT (T&P)

Campus Recruitment Drive

Infosys, Harion Research, GenZ Educatewing, Recruit CRM, Blackhawk Network, Key Value Software Systems, The South Indian Bank Ltd., Kalvium, Electric Buy, Schneider Electric, Zafin (MuLearn Campus), Ramco Cements, Mindenious Edutech, EY Global Delivery Services, Tokyo Freight, Tech Mahindra, Dr. Bee Food Products, EDMO (iSchoolConnect), Techens Global Hyosung, and T&D India Pvt. Ltd., Core Fit Care and Safeline Group of Companies conducted campus recruitment drives for the 2022 - 2026 Batch.

Campus Recruitment Drive By Blackhawk Network

Plastic Waste Collection

NSS Unit 304 actively participated in the State Level Plastic Waste Collection Challenge organised under the Swachhta Action Plan at Ponnani Beach on January 16. NSS volunteers successfully collected 35 kg of plastic waste for proper disposal.

Git and Github Workshop

Faculty Development Programmes Attended

C M Sulaikha, Assistant Professor attended the online FDP on "The Agentic AI Paradigm: Architecture, Enabling Technologies and Real World Applications" organised by Presidency School of Information Science, Presidency University, Bengaluru in November.

Vasudevan T V, Assistant Professor successfully completed the online course on "Intro to Programming (Python)" offered by Kaggle on November 21.

Paper Presentation

C M Sulaikha, Assistant Professor and Anan P Abbas, S4 MCA student presented a paper titled "Explainable Artificial Intelligence for Trustworthy Deep Learning Systems" in the International Conference on "Inclusive Imagination: Integrating Knowledge for Sustainable Future" organised by Naipunnya Institute of Management and Information Technology, Pongam, Koratty East, Thrissur on January 21.

Campus Recruitment Drive By South Indian Bank Ltd.

Blackhawk Network and The South Indian Bank Ltd. conducted campus recruitment drives for the 2021 - 2025 Batch.

Placement Details (2022 - 2026 Batch)

CSE - 2, EEE - 2, IT - 2

Vijnana Kerala Virtual Job Fair

Our college is the only centre in Malappuram District to conduct the Vijnana Kerala Virtual Job Fair, utilising the Skill Delivery Platform - Kerala facility.

Placement Officers Meeting

Dr. Bindu Anto, Placement Officer attended the Placement Officer's Consortium Kerala Meeting held at Startup Village, Kalamassery, Ernakulam on November 17.

She also attended the Institutional Growth Summit 2025 held at Abad Plaza Hotel, Kochi on November 26.

IEDC Bootcamp 2025

IEDC Bootcamp 2025 titled 'Connect Up', aimed at strengthening connections and fostering collaboration among IEDC members through interactive games and activities was held on December 6 and 7.

IEDC Summit 2025

IEDC members of the college participated in the IEDC summit 2025 jointly organised by IEDC Kerala and Kerala Startup Mission at LBS College of Engineering, Kasaragod on December 22.

Workshop on Power BI

IEDC MESCE organised a workshop on "Data Analysis Using Power BI" on January 12. Ms. Diya Fathima O, CEO of IEDC MESCE was the resource person.

IEDC team with Mr. Vimal Govind M.K., CEO of Genrobotics, during the IEDC Summit 2025

A moment from the Power BI workshop

Faculty Activities

Dr. Nafeesa K, Head of the EEE department acted as reviewer of 2025 IEEE 3rd International Symposium on "Sustainable Energy Signal Processing and Cybersecurity", held from November 6 to November 8.

Dr. Nafeesa K participated in the Annual General Meeting of IEEE Kerala Section conducted at Thiruvananthapuram on January 10. She was also a key member of the organising committee for the IEEE International Leadership Summit, which was honoured with the Best Event Award by the IEEE Kerala Section.

Dr. Nafeesa K attended the Annual General Meeting of IEEE Malabar Subsection at Hotel Gazania Mezban, Kozhikode on January 18.

Dr. Nafeesa K, Head, EEE department at the annual general meeting of IEEE Malabar Subsection

Faculty Development Programmes Organised

The department of EEE in collaboration with IEEE Malabar Subsection, IEEE PES Kerala Chapter, IEEE PES SBC, CREE, and AEEE, organised the second edition of the International Colloquium in hybrid mode, focusing on "Global Opportunities for Interdisciplinary Research for Sustainable Development" on December 17.

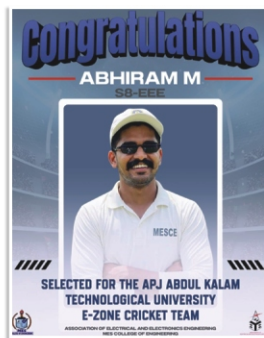

Dr. K.A. Abubaker, Standing Committee Chairman addressing the gathering

SPORTS & GAMES

Cricket

Abhiram M of S8 EEE has been selected for the APJAKTU E-Zone Cricket Team.

Football

Azin Ahammed Arif of S4 CSE B has been selected for the KTU football team.

Arya Suraj, Abhinanda G M, Shana Ismail, Adheena K S, and Fina Fathima from S6 B.Arch won the Runners-Up award in the 3s Football event at the SEEDTRACK competition hosted at SEED, Muvattupuzha.

Students of MES School of Architecture who won the Runners-Up award in the SEEDTRACK 2025 3s Football event

Editorial Board

Dr. Rahumathunza I (Principal),
 Vasudevan T V (Asst. Prof, MCA), Nithin V C (Asst. Prof, ME)
 Divya Mohanan (Asst. Prof, CE)
