

VISION : To develop an institution of international standing to provide quality education in Engineering Technology and Management and empower students to face challenges, taking care of societal responsibilities

MESTECH 2026

MESTECH 2026, the annual techno cultural festival of MESCE, Kuttippuram was held on February 12, 13 and 14. Dr.P.A.Fazal Ghafoor, President, MES inaugurated the event. The event combined multi-agency exhibitions (ISRO, Kerala Police, Rapid Response Rescue Force, Kerala Agriculture University, Indian Railways, Fire & Safety demo, Kerala Excise Department, Kerala Water Authority), technical workshops, games and bike stunt shows that attracted large student audiences.

Inaugural Address By Dr.P.A.Fazal Ghafoor, President, MES

ISRO Exhibition

Talk Session with Poland Moosa, Chairman, Fragrance World

MISSION :

- ➔ To provide state-of-art knowledge and skills to serve industry and society with dedication.
- ➔ To develop creativity and innovative research capabilities in the students, making them capable of useful contributions in the creation of knowledge society.
- ➔ To inculcate leadership qualities, human values and social responsibilities in the youth to make them leaders in nation building.

MES COLLEGE OF ENGINEERING, KUTTIIPPURAM

Thrikkannapuram South P.O., Malappuram Dt., Kerala - 679 582

Approved by AICTE, Affiliated to A.P.J. Abdul Kalam Technological University & Calicut University

Visit us at : [http:// www.mesce.ac.in](http://www.mesce.ac.in) [f /mescollegektpm](https://www.facebook.com/mescollegektpm)

The MES Talk Special hosted speakers on entrepreneurship, health, technology and sport — including Poland Moosa (Chairman, Fragrance World), Silvan Musthafa (MD, Silvan Business Group), Dr. Mohamed Fahd V P (Ayurvedic Paediatrician and RFC Champion), Dr. R. Harikumar (Director, Energy Management Centre), Babu Ramachandran (Journalist and StoryTeller) and Harikrishnan R (Group Director of Technology, VSSC-ISRO) — alongside cultural programmes and evening proshows featuring Sooraj Santhosh, Thirumali, Gabri and Radio Legs.

PRO SHOW - Sooraj Santhosh

QUANTUM CENTURY EXHIBITION

The Quantum Century Exhibition, jointly organised by CUSAT, KSSP and LUCA Science Portal, was a major travelling science exhibition held across Kerala from November 2025 to February 2026 to commemorate 100 years of quantum mechanics and mark the UNESCO International Year of Quantum Science and Technology.

Sri K. T. Jaleel, Hon. MLA, Thavanur inaugurating the quantum century exhibition

The exhibition was hosted at MESCE, Kuttippuram from February 11 to 14 and was inaugurated by Sri K. T. Jaleel, Hon. MLA, Thavanur. The event featured interactive exhibits, live demonstrations, immersive experiences and insightful sessions, providing an engaging introduction to quantum science and modern physics.

A Scene From Quantum Century Exhibition

MES DIAMOND JUBILEE RESEARCH COLLOQUIUM

Faculty and researchers from MES College of Engineering, Kuttippuram participated in the MES Diamond Jubilee Research Colloquium at MES Medical College, Perinthalmanna on April 21 and 22. Fifty faculty members attended; the college presented 12 oral research papers and eight posters. Abin C. Jose, Assistant Professor, ADS department won first prize in the poster presentation category.

IEDC

Faculty Activities

Harikrishnan G.R., Assistant Professor, CSE department attended the IEDC summit 2026 organised by the Kerala Startup Mission at Amal Jyothi College of Engineering, Kottayam on March 6 and 7.

Mr. Abin C Jose, Assistant Professor, ADS department receiving the first prize in the poster presentation category from Dr.P.A.Fazal Ghafoor, President, MES

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE (ADS)

Student Development Programmes Organised

Senin Ashraf, Abhishek, Ahamed Yaseen, and Sreelesh C, S8 students conducted a session on "Artificial Intelligence, Data Science, and Robotics" for the students of Kelappaji Memorial Higher Secondary School, Tavanur on February 18.

S8 students conducted a session on "Artificial Intelligence, Data Science, and Robotics" for the students of Kelappaji Memorial Higher Secondary School, Tavanur

CIVIL ENGINEERING (CE)

Faculty Development Programmes Attended

Sreechitra P., Assistant Professor attended the FDP on "Sustainable Materials and Manufacturing", organised by the Department of Mechanical Engineering, Toc H Institute of Science and Technology, from February 2 to 7.

Student Association Activities

The CEA, ICI Student Chapter, and ASCE Student Chapter, in association with CADPOINT organised a one-day Student Development Programme on "Civil Engineering Software" on March 5.

Student Achievement

Aysha Hiba of S8 was announced as the C Prize Merit

COMPUTER SCIENCE AND ENGINEERING (CSE)

Student Association Activities

The department student association MATRICS conducted a seminar on "Network Traffic Monitoring Tools and Simulators" for S6 students on February 26. Jiju T. D., Assistant Professor was the resource person.

Faculty Development Programmes Attended

Annes Philip, Assistant Professor, attended the "ISEA Virtual Presentation Conclave & Hands on Training Programme on Mobile, Device and Application Security" organised by the Department of Computer Applications, Cochin University of Science and Technology and IIT Jammu from February 23 to 26. Farseeena P. and Priyanka P., Assistant Professors, attended the online national-level faculty development programme on 'Research Paper Writing and Publishing' organised by Government Degree College, Tuni, Andhra Pradesh, on February 28.

Student Achievement

Adil Roshan, Mohammed Mazin, Amina Najib, and Sana Shabeer of S6 ADS were awarded Rs. 25,000 for winning the Young Innovators Programme 2026 at the district level on March 12.

Scholarship winner at the Department of Civil Engineering programme, organised with Armstech Engineers Pvt. Ltd., NACTET, ICI and ASCE, on February 26. Subin A of S6 was selected for the final round of MY Bharat Budget Quest 2026.

Faculty Activities

The Hon. High Court of Kerala, in WA No. 420 of 2020, constituted a seven member committee to evaluate the Spice Bowl project at Kizhakoth village, Kozhikode, and prepare a report for the Chief Secretary. As a member of the expert committee, Dr. Syed Jalaludeen Shah, HOD inspected the site with other experts on March 26.

Priyanka P., Assistant Professor, attended the FDP on "RIPES VISTA: RIPES Driven Visualisation for RISC V Architecture Learning" organised by Malabar Institute of Technology, Kannur from March 9 to 11.

Seminar on "Network Traffic Monitoring Tools and Simulators" by Jiju T. D., Assistant Professor

Faculty Achievement

Dr Jasila E. K., Associate Professor, was selected as an editorial board member of the American Journal of Computer Science and Technology. She served as a reviewer for the paper "Explainable Detection of Depression Signs Through Sentiment and Emotion Analysis". Harikrishnan G.R., Assistant Professor successfully defended his PhD thesis titled "Development of Machine Learning-Based Controller for Energy Management in Smart Grid" on April 23.

Paper Publication By Faculty

Badharudheen P. , Assistant Professor, "Explainable Traffic Image Classification: A Hybrid Grad-CAM and LIME Approach with Superpixel-aware Refinement", IEEE Explore, April 2026.

Farewell

A farewell programme for S8 students was held in the college auditorium.

Student Achievement

Jazaal Mohamed K. T., Hasna T. A., Fayis P. and Mohamed Shemim of S6 CSE A batch were state level winners in the YIP 8.0 idea pitching competition.

Hanan Abdul Hameed of S6 CSE C batch and Minha Gafoor of S8 CSE A batch qualified the GATE 2026 examination.

ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

Student Association Activities

The department student association AECE organised an IoT workshop titled "Embedded Connect" at the simulation lab on February 12. Mr. Ajin P Joseph, Embedded System Engineer was the resource person.

AECE organised a seminar on "Introduction to Mulearn" for S2 students on March 9. Mr.Safeel A, CTO of Mulearn, MESCE was the resource person.

AECE organised a seminar on "Technical Writing" for S8 students at the department seminar hall on March 9.

AECE organised "Ignite 2.0 - Soldering and smart bulb assembly workshop" for S2 students at the Communication Lab on March 18.

AECE organised a workshop on "MATLAB Fundamentals" at the simulation lab on March 18. Dr.Riyaz A Rahiman, Manager, Application Engineer, UPT Technology Solutions Division was the resource person.

AECE organised a project competition at the digital systems lab on March 18. Abhinand S, Ahammed Yaseen O, Muhammed Rihan A P and Bahiya Ashraf of S8 ADS won the first prize; Rabeeh (S8, ECE) and his team won the second prize; Abdul Manaf (S8, EEE) and his team won the third prize.

AECE organised Texpo'26 at the Digital Systems Lab on March 18. The event provided a platform for students to showcase their technical ideas, projects, and innovative concepts in the field of electronics and communication engineering.

AECE organised "Circuitron", an Arduino Based Micro Project Exhibition at the Digital Systems Lab on March 31.

AECE organised "Bizz Spark" a Business Plan Presentation for S2 students on April 17.

AECE organised " VISION X" a Mini Project Expo showcasing the innovative mini projects developed by S6 students at IoT lab on April 6.

Arduino Based Micro Project Exhibition

Faculty Development Programmes Attended

Dr.Rejith.K.N., HOD attended the FDP on "Microprocessor and Embedded System" organised by St.Thomas institute of science and technology, Kerala, from April 16 to 21.

Nasarathul Nisha P K and Neenu T S, Assistant Professors attended the online FDP on "AI in Healthcare: Data, Analytics, Ethics & Real-World Applications", organised by the Department of AI & DS, Jyothi Engineering College, Cheruthuruthy from April 20 to 25.

ELECTRICAL AND ELECTRONICS ENGINEERING (EEE)

Student Association Activities

Dr. Gopakumar, Dean (Research) inaugurated the annual activities of the EEE Association at the department seminar hall on April 6. The event included certificate distribution for TESLA '25 winners, Idea Pitching Competition winners, and semester toppers.

Dr. Gopakumar, Dean (Research) inaugurating the annual activities of the EEE Department Association

A farewell party for 2022 - 2026 EEE Batch was conducted on April 8.

Farewell Party for S8 EEE students

Student Achievement

Mohamed Asif, Aysha Nargis, Mehna Shafeeque, Hanniya Nauf, Arshad PP, students of EEE department and Shana Afrin, student of ECE department participated in the district-level hackathon; their team finished in the top five and qualified for the state level.

SCHOOL OF ARCHITECTURE (ARCH)

Alumni Achievement

Mohammed Basim M and Arshaq K N (2025 pass-outs) won the state-level Young Innovators Programme (YIP 6.0) organised by K-DISC, Government of Kerala on February 5. Their innovative project was selected from 3,190 entries.

Mohammed Basim M and Arshaq K N of 2020 - 2025 Batch at the state level Young Innovators Programme (YIP 6.0) conducted by the K-DISC, Government of Kerala

Student Association Activities

The inaugural ceremony of the Society for Students of Architecture (SSA), in association with the Indian Institute of Architects (IIA), was held on February 9. The program was inaugurated by Ar. Anoop K. Nair, Chairman, IIA Palakkad. Newly elected office bearers were introduced, followed by an interactive session with the chief guest. The annual theme, "Independent Yet Inter-dependent," was unveiled and the year's vision was presented. The Best Outgoing Student Award 2025 was presented to Ms. Minha Kabir, along with prizes for academic excellence. The program concluded with cultural performances by students.

Architectural Documentation Visit

First-year students carried out architectural documentation of Kayalmadam Tharavadu at Thirunavaya and Thannerkode Junction on February 17. They were accompanied by Dr. Prasanna T.K., Director, MES School of Architecture, Archana Sreedharan, Associate Professor, Shebi K., Deepa P., and Amrutha K.A., Assistant Professors.

Site Visit

B.Arch students visited architectural firm SPACEGRID in Edappal and met with Ar. Nisham to discuss professional practice and recent architectural projects on March 17.

Shamil T K and Ahammed Nihal of S4 were selected as Production Team Members of IEDC MESCE Executive Committee 26-27.

Abdul Manaf and the S8 EEE team won third prize in the project competition conducted by the ECE Department on March 27.

Fahaam, Firas, Aman, and Rafan of S2 won first prize (Rs. 5,000) in the Treasure Hunt at GALA.

Student Development Programmes Organised

The Centre for Research on Energy & Environment (CREE), in association with the Green Energy Forum (GEF), organised an Idea Pitching Competition on the topic "Energy, Environment & Sustainability" on April 1.

Research Activities

Nesihath M. K., Assistant Professor and PhD scholar in the department under the guidance of Dr. Nafeesa K, HOD successfully completed her PhD synopsis meeting on April 23.

Ar. Anoop K. Nair, Chairman, IIA Palakkad with faculty members, MESSOA, and elected office bearers of SSA and IIA student chapter after the inauguration

Student Development Programmes Organised

A hands-on workshop on "MicroStation and OpenRoads" was conducted in collaboration with BIMLABS Kochi on March 17 and 18. The workshop covered infrastructure design, BIM workflows, and industry-focused digital construction tools.

Patent Publication

A patent titled "An Intelligent Security-Aware 6G-enabled IoT Architecture for Smart Cities" authored by Shanik A., Assistant Professor was published on March 20.

Paper Presentation By Faculty

Archana Sreedharan, Associate Professor, "Evaluating Basic Design Syllabi in India: A Comparative Analysis Aligned with NEP 2020 and SDG 4", The 12th International Conference on

MANAGEMENT SCIENCE

Paper Presentation By Faculty

Souda. K.P., Assistant Professor, "Financial Strategies for Climatic Resilience in Kerala's Plantations Sector: A Study on Green Bond and Sustainable Investments", International Conference on "Tech-Driven Business Management: Navigating Challenges and Seizing Opportunities" organised by the Institute of Management in Kerala, University of Kerala, Thiruvananthapuram, March 24-26.

MESMERIZE GALA – The Management Meet 2026

The department organised MESMERIZE GALA — The Management Meet on March 25, coordinated by Althaf V.T., Assistant Professor and Hari, student coordinator. Around 151 participants tested their analytical and problem solving skills across five flagship sub events. Dr.Rahmathunza I., Principal inaugurated the summit and Chief Guest Mr. Christo George (Founder & CMD, Hykon India Limited) delivered a keynote on modern entrepreneurship. The event concluded with an awards ceremony presided over by the Principal and Dr K. P. Jabir Moosa, HOD.

Maa'salama - Farewell

S2 MBA students organised "Maa'salama", a grand farewell celebrating the achievements and leadership of the outgoing final year batch, on April 16.

COMPUTER APPLICATIONS

Student Achievement

The following students won prizes in the Zerone 26 National Level Technical Fest held at MES College, Ponnani on February 4 and 5.

- Muhammed Nadeem, Fadlu Rahman K, S2 MCA : Quiz, First Prize
 - Aswinrag K, S2 MCA : Prompt Battle, First Prize
 - Muhammed Althaf O K, Muhammed Rashid TV, Akhil Preman, Muhammed Jasir, S2 MCA : Treasure Hunt, First Prize
 - Muhammed Sinan P P, Sharhan C, S4 BCA : Quiz, Second Prize
 - Muhammad Sinan P P, S4 BCA : UI UX Designing, Second Prize
- They also won the overall champions trophy in the event.

Students receiving the overall champions trophy in the Zerone 26 national level technical fest held at MES College, Ponnani

Education-ICEDU 2026, hosted online by The International Institute of Knowledge Management, Bali, Indonesia, March 26-28.

Student Development Programmes Attended

First-year students, accompanied by Prof. Shiras C.M., Haneen Pallathodi and Shebi K., Assistant Professors, attended "Bhoo26 – Festival of Earth Architecture," organised by Urvi Foundation in association with NASA at Thiruvananthapuram on March 28 and 29.

Keynote Address By Chief Guest Mr. Christo George, Founder & CMD, Hykon India Limited

Alumni Achievement

Dr. Vipin Kumar (MESCE MBA alumnus, Batch 2007–09) of M.E.S. AIMAT, Ernakulam, was honoured on March 28 by the M.E.S State Committee at the 61st M.E.S Annual General Body Meeting, held at M.E.S Medical College, Perinthalmanna, for obtaining his doctorate.

Student Achievement

Rincy Jasna and Fathima Fida, students of S2 MBA won third prize in the Mehendi Fest organised by the Women Development Cell in association with the AWAAZ 3.0 Students' Union at MESCE.

Farewell to S4 MBA students

Paper Presentation By Student

Safa T K, Jeena Fathima C H, S2 BCA, "Smart IOT based Sustainable Agriculture System", Technical Symposium, Department of Computer Applications, Presidency College, Bengaluru, February 6.

Athila Ashraf, S4 MCA - "An Analytical Study of Deep Learning Techniques in Road Traffic Analysis"

Anan P. Abbas, Sooraj K. P., S4 MCA - "Causal Explainable AI (CXAI): Moving Beyond Correlation to True Decision Understanding"

Akhila P., S4 MCA - "Emerging Trends in Cloud Computing" (SYNERGY 2K26, International Conference on "Sustainable Futures: Economy, Technology, Culture & Society in the 21st Century", MTM College of Arts, Science and Commerce, Veliyancode, Ponnani - February 10, 11)

Faculty Activities

C M Sulaikha, Assistant Professor chaired a session in the International Conference on "Sustainable Futures: Economy, Technology, Culture & Society in the 21st Century" organised by MTM College of Arts, Science and Commerce, Veliyancode, Ponnani on February 10 and 11.

Faculty Development Programmes Attended

C M Sulaikha, Assistant Professor attended the webinar titled "Research - driven Generative AI, Computer Vision and Interactive Machine Learning Revolution" organised by the PG and Research Department of Computer Science, Cauvery College for Women, Thiruchirappalli on February 20.

C M Sulaikha, Assistant Professor chairing a session in the International Conference organised by MTM College of Arts, Science and Commerce, Veliyancode, Ponnani

Paper Publication By Students

Safa T. K. and Jeena Fathima C. H. of S2 BCA, "Smart IoT-Based Sustainable Agriculture System", Proceedings of the One Day Technical Symposium on "Role of Green Smart Technology for Sustainable Future," organised by the Department of Computer Applications, Presidency College, Bengaluru.

TRAINING AND PLACEMENT (T&P)

Placement Training Programme

The Training & Placement Cell conducted the Placement Grooming and Communication Skills Programme for final year students on February 2, 3 and 4.

MES Mega Job Fair 2026

MES Mega Job Fair '26 was conducted at MES College of Engineering, Kuttippuram on February 6 and 7. The pooled recruitment drive covered students from Engineering, Architecture, MBA and MCA streams. In addition to the host institution, students from MES Institute of Technology & Management, Chathannoor, Kollam, MES College of Engineering & Technology, Kunnukara, Ernakulam and MES College of Architecture, Kakkodi, Calicut also participated in the job fair. A total of 54 companies took part, offering 1,497 vacancies across various domains; 607 students participated in the interview process.

Campus Recruitment

The departmentwise placement details of the final year students are given below.

EEE: 47, ECE: 36, ME: 26, CSE: 24, CE: 9, ADS: 5, MBA: 4, ARCH: 4, MCA: 2 (TOTAL: 160)

Placement Officers Meeting

Dr. Bindu Anto Ollukkaran, Placement Officer attended the Placement Officer's meeting organised by Aarbee Structured Pvt. Ltd., Cochin conducted at Christ College of Engineering, Irinjalakkuda, Thrissur on March 11.

NATIONAL SERVICE SCHEME (NSS)

Student Development Programmes Attended

ACS Adarsh, volunteer of NSS unit 191 and student of S6 EEE attended the National Integration Camp in Odisha from February 23 to March 3.

Kajal P.T. (S4 CSE) and Abdul Vahid (S4 ECE), volunteers of NSS Unit 191, had the opportunity to interact with the Prime Minister in Bangaluru after participating in the My Bharat Budget Quest on April 12 and 13.

Viksit Bharath Youth Parliament 2026

NSS Unit 191 conducted Malappuram District Viksit Bharath Youth Parliament 2026 at the college on February 27. Dr. Rahumathunza I, Principal inaugurated the programme.

Distribution of Ramadan Kits

NSS Unit 191 distributed 100 Ramadan kits to Ponnani Municipality Dialysis Centre.

NSS Unit 304 organised a Ramadan kit distribution drive, distributing 187 kits to underprivileged families in nearby localities on February 9. Er.K V Habeebullah, Secretary and Dr. Rahumathunza I, Principal participated and supported the initiative.

Home for the Homeless Project

NSS Unit 191 organised a foundation-stone laying ceremony for the "Home for the Homeless" project at Alaythur on March 15. Another house is being constructed under this scheme at Thripalur, Thavanoor.

The symposium proceedings were published by Shanlax Publications in March.

Book Publication By Faculty

C. M. Sulaikha, Assistant Professor, published the book "Fundamentals of Natural Language Processing" on April 13 through Hayaan Publications.

Inaugural Function of Mega Job Fair

Interview during Mega Job Fair

Mega Job Drive

The All Kerala Talent Pool – 2026 (Central Zone Phase) Mega Job Drive was organised by Camerin Innovate in association with the Kerala Placement Officers Association and MES College of Engineering, Kuttippuram on March 24. Nine companies participated, connecting IT recruiters with B.Tech, M.Tech, MBA and MCA (2025–2026) graduates.

Dr. Rahumathunza I, Principal distributing certificates during Viksit Bharath Youth Parliament Programme

Er. K.V. Habeebullah, Secretary, MESCE distributing ramadan kits

MEHANDI FEST

Women Development Cell (WDC) in association with the AWAAZ 3.0 Students Union at MESCE organised a mehendi fest for the students of the college.

1st Prize

Sana & Hanl | B arch S2

2nd Prize

Isha & Reeha | B arch S2

3rd Prize

Rincy jasna & Fathima Fida | MBA S2

Riya sherin & Fathima Zayana | Cse A S2

ALUMNI ASSOCIATION

Women's Day Essay Writing Competition

The Alumni Association held an essay - writing competition for International Women's Day on March 8. Archana Sreedharan, Associate Professor, MES School of Architecture won First Prize.

Thasneem Fathima N.K., Associate Professor, EEE department won Second Prize. Shibu N.G., Assistant Professor, Science & Humanities department, and Sarah R. Salim, student of S10 B.Arch shared Third Prize.
